	MISSED CALL: CIVIL SERVANT (HAUNTED HOUSE)	
Hong-jo	You didn't go on the trip.	
Sin-yu	Didn't you call to stop me from going?	
Hong-jo	That's right.	
	I called to stop you from going.	
	But I didn't expect you to come all the way here.	
	Spells do work after all.	
	I tried it again.	
	I wanted to check if it worked or not.	
Sin-yu	It doesn't matter... whether spells work or not.	
	I love you.	
Running Child	Mom!	
Hong-jo	That was weird.	
	That confession was just out of the blue.	갑자기
Sin-yu	Of course it's out of the blue.	
	"I'll confess to you at 9:30 p.m. Get ready."	
	Who even does that?	
Hong-jo	Why are you angry?	
Sin-yu	I'm not.	
Hong-jo	You are. Your voice got louder.	
Sin-yu	I said I'm not angry.	
	I'm just embarrassed.	
Hong-jo	I thought you were someone... who couldn't feel embarrassment.	
	You have a girlfriend, and you said you love me so easily.	함부로
Sin-yu	It wasn't easy.	함부로 한거 아니야
Hong-jo	Then you have no conscience.	그럼 양심없는 사람
	You're two-timing now.	
Sin-yu	I'm not.	
	Wait for me.	
	I'm coming to you soon, pure and wholly.	
	So I want you to be pure too and wait for me.	
Hong-jo	I've always been pure.	
	I'm much purer than you.	
	My whole life, I've never had a proper boyfriend.	
Sin-yu	Your mind isn't pure.	
Hong-jo	Are you saying my mind is dirty then?	
Sin-yu	Kwon Jae-gyeong.	
	You liked him.	
	You still have feelings for him.	
Hong-jo	That was just one-sided love.	
Sin-yu	You even loved him?	
Hong-jo	Who considers one-sided love as love?	
Sin-yu	The word "love" is still there.	
	Don't do that to other guys.	
	I hate it.	싫으니깐

Hong-jo Are you feeling better?

Sin-yu You must be very worried.

Hong-jo Sin-yu, you said it doesn't matter whether spells work or not,
but it matters to me.
I'm concerned about the curse doll.
Please take care.

Sin-yu I will.

Hong-jo Don't catch a cold from the cold wind.
Go home now.

Sin-yu You go first.

Hong-jo I said it first.
Go now.

Sin-yu I won't leave until you do.
It's cold.
You said I should avoid the cold wind.

Hong-jo All right, then.
I'll get going.
I'm leaving.
Go now.
I said go.

Sin-yu I think I loved her back then too.
The view. The smell. The feel. Everything was vivid.
Even the emotions I felt at that moment.
Everything felt real.

Eun-wol Finally.
There's one more person who remembers the past life.

Sin-yu Is that really my past life?

Eun-wol A lot of people remember their past lives. More than your think.
I remember everything too.

Sin-yu When you said inseverable destinies, did you mean this?

Eun-wol Karma is as strong as an iron chain.
It doesn't disappear even after kalpas of time.

Sin-yu But why am I the only one who sees and remembers it?

Eun-wol Why don't you ask her?

Sin-yu I won't.

Eun-wol You think you might sound crazy?

Sin-yu Just because. I'm scared for some reason.

Eun-wol People and their destinies can come together at different times.
Since you are reborn after a long time, you can live according to the destinies that
you encounter.
You cannot burn what is already burnt.
Make sure you have no regrets.

SIN-YU

Hyeon-seo Hey, this... This whisky is from the movie Decision To Leave.

헤어질 결심에 나온

Do you know why I chose this whisky?
So you can decide to leave him.

Na-yeon I'm not leaving him.

Hyeon-seo Men hate persistent women.

Na-yeon If I'm not, our relationship will end.

Hyeon-seo Why do you live like that with that face?

If I were a woman and had your face, I wouldn't live like you.

Na-yeon I like Sin-yu a lot.

Hyeon-seo Then why do you sleep with me?

Na-yeon Because he doesn't fill my loneliness.

Hyeon-seo Wow.

#SCENE Parking lot of Na-yeon's officetel at (Next) Morning.

Na-yeon Hye-jeong is on a trip.

The house is empty, come in.

Sin-yu No.

Get in the car.

Na-yeon Did you reflect on yourself yesterday?

Where are we going?

Wherever it is, let's go quickly.

Sin-yu Na-yeon.

Na-yeon Shall we eat ramyeon by Han River?

You never tried it, right?

I heard it's really good.

Sin-yu Wherever we go now, our way back will be terrible.

So I'll just say it here.

Na-yeon Don't.

I don't want to hear it.

Sin-yu Na-yeon.

Na-yeon You said you'd end it.

Sin-yu I can't.

Na-yeon I'll let it slide.

I'll turn a blind eye.

You said you wavered for a while.

Sin-yu I don't know how different wavering is from love.

Na-yeon Ever since we started dating, you never once said you loved me.

And now are you saying you love Hong-jo?

No way.

I would understand if she was better than me at least.

She's nothing.

You're just confused.

You're just pitying or feeling bad for her.

That's why she's on your mind. You're mistaking it for love.

Sin-yu You have every right to judge me.

I'm the worst.

Na-yeon Yes.

You're the worst.

How can you do this to me?

#SCENE In front of Hong-jo's house (Hong-jo's image)

Sin-yu I'm sorry I left you alone on Christmas.

Sin-yu Yes.

Kwon Don't accept it.

Hong-jo Mr. Kwon.

Kwon A bouquet?

He has no right to give you one. Come to me.

Sin-yu Don't go.

Kwon Let go of her.

Sin-yu You let go first.

Kwon You let go.

Sin-yu Let go.

Kwon Let go.

Come here.

I'll make you happy.

Sin-yu I can make you happier, you know that. Let go of her.

Hong-jo Don't fight over me.

Sin-yu I can make you happy.

Let her go.

Kwon Let go.

Sin-yu Let her go.

Hong-jo Don't fight over me.

#SCENE In front of Onju City Hall.

Hong-jo How was your Christmas?

3Star Well... No blind date nor Gi-hoon.

I spent a depressing one with NewTube in the end.

Next year, no matter what, I'll have a romantic one.

With that man.

Mr. Jang.

I finally get to see you.

I was so shocked when I heard you were on sick leave.

Don't ever get sick again.

Sin-yu Okay. Did you sleep well?

Yes, I'm a heavy sleeper, so...

What about you, Hong-jo?

Hong-jo I slept well too.

Sin-yu That's good to hear.

Seventh floor.

Others Excuse me. I'm sorry.

I'm sorry.

There's no space.

3Star Mr. Jang. You're very tall.

Your body's so well-proportioned.

My body proportion is more like an insect's.
Head, thorax, abdomen.
I'm here.

Elevator Doors opening.

3Star Excuse me.

#SCENE The cafeteria in Onju City Hall.

Sin-yu How's the CCTV setup going?

Kwon It was pretty expensive.

You'll pay for it, right?

Sin-yu As long as you send pictures of where they're set up.

Kwon Why? Do you think I'll overcharge you?

Forget it. I'll pay.

I'm not so stingy like you.

Sin-yu You're stingy.

You invited me to lunch and here we are at the cafeteria.

Kwon Our cafeteria's stir-fried squid and kimchi soup the best pairing.

Gi-dong You're rather childish with your food choices.

See? He didn't get seasoned bracken.

Sin-yu I'm not childish. I just don't eat bracken.

I had bad memories.

This person got bitten by a snake while picking bracken.

Gi-dong Who got bitten by a snake?

Sin-yu It's nothing. Eat up.

Crystal Why didn't Mr. Gong go on the blind date?

3Star His blind date isn't the issue now.

We need blind dates.

Mr. Biases are there.

Crystal Mr. Biases? Who is he?

3Star My top three biases.

Mr. Jang, Mr. Kwon, and Gi-dong.

Three men, three women.

It's like a three-on-three blind date.

We can't do it.

His girl friend is here.

Na-yeon May I join?

3Star She's still pretty, and they still haven't broken up.

What a terrible sight. I shouldn't have come here.

Gi-dong Hey. You might find this question uncomfortable, but--

Sin-yu Then don't ask.

Gi-dong How did you two end up dating?

Na-yeon I kept hitting on him.

Gi-dong So beauties like you make the first move too.

Na-yeon If you two aren't dating anyone, I can set you up with my friends.

Gi-dong That would be great.

Kwon I'll pass.

Gi-dong Why?

You're not dating anyone either.

Kwon I have someone I like.

Sin-yu Why don't you try at least?

I doubt you will end up with the person you like?

Kwon You're cold person, but her persistence won your heart.
Sin-yu Oh, I see.
 So you want to keep hitting on her too?
Kwon I don't have to. I'll just see her.
Sin-yu Just seeing her doesn't mean anything.
 I know you like chickens, but don't count them before they hatch.
Na-yeon What's wrong, Sin-yu?
Kwon Did I tell you this?
 You guys look perfect together.
Na-yeon Can we have a cup of tea in your office?
Sin-yu You were being so showy in the cafeteria
 It makes me uncomfortable.
Na-yeon Because of Hong-jo, not others. Am I right?
Sin-yu I made a promise, so I'm doing my best to keep it.
 So don't be sarcastic.

#SCENE Greenway Building Division office. (On Call)
Hong-jo Hi, Hong-jo of Greenway Building Division speaking.
 How was your lunch?
Sin-yu It was fine.
Hong-jo Don't you have something to tell me?
Sin-yu About the feeding station, it's illegal. You need to take it down.
 You can't keep it unless you change the rules.
Hong-jo Is that all you want to say?
Sin-yu Keep your self-defense tools with you.
Hong-jo I will.

#SCENE Sin-yu's office

#SCENE In the restaurant.
Yun-ju What's so good about this that he nags me so much?
 Thank you for giving it back to me.
Wook You didn't have to come all the way here.
 I would've brought it to you after work.
Yun-ju I had things to do around here.
 My depression worsened recently. So I went for counseling.
Wook Did you go to a psychiatrist?
Yun-ju No. A fortune teller.
Wook Fortune teller?
Yun-ju Talking to a fortune teller when I'm down makes me feel better.
 She was really good.
 As soon as I sat down, she said, "You're here because of a man."
 She got it right.
Wook Even I can guess that much.
 Men have women issues and women have men issues.
 It's obvious.
Yun-ju It wasn't obvious at all.
 My husband is a pain in the neck, and I'm worried about Sin-yu.

Wook If you're so depressed, why don't you start acting again?

Yun-ju They say better never than late.
It's too late for me.

#SCENE Greenway Building Division office.
YOON NA-YEON

Hong-jo Hi. What's up?

#SCENE At the bar.

Na-yeon You want me to break up with him, right?
But that will never happen. Our wedding date is set.

Hong-jo Why did you call me out to say this?
I doubt you want me to catch the bouquet.

Na-yeon So you can snap out of it.
Just like you thought we were friends, you're being mistaken again.
Thinking that Sin-yu might come to you.

Hong-jo Something happened between you two.

Na-yeon We might move in together. His parents want that. It was expected.
We've been dating for two years, staying together 24/7.
We didn't want to stay apart.
And Sin-yu doesn't like holding hands. Especially in winter.
He's worried his cold hands might make mine cold too.
He doesn't sleep much, but when I pat his hair, he falls asleep fast.

Hong-jo Do I need to know these things?
I don't want to know any of this.

Na-yeon You've never had a long-term relationship, have you?
Countless things happen in a long-term relationship.
You fight and make up. You get close and distant. Then you get close again.
We can't break up that easily.
That's what it's like.
He might waver for a while, but he comes back in the end.

Hong-jo
I can tell you're very anxious, seeing that you're saying all these unnecessary things.

Na-yeon He was with me last night too.
Hong-jo. Don't trust men so much. Sini-yu's a man too.

#SCENE In restaurant.

Wook The CEO told me to see you out on whether you want to return.

Sin-yu I don't plan to go back.

Wook Is working in City Hall fun?
Isn't it boring?

Sin-yu It's fun.
Although things are a bit tough now.

Wook Then again, all work is tough.
Still, acting sounds fun.

Sin-yu Acting like how?

Wook Not that kind of acting.
Acting, as in what actors and actresses do.

Sin-yu Don't. You have no talent in acting.

Wook I'm not saying I want to be an actor.

Sin-yu Actually, I'm acting at the moment.

I miss her. I want to be with her.
It's driving me crazy, but I'm acting like I'm fine.

Wook If you miss her, just tell her to come.

You don't even drink. It's a waste of wine.

The CEO gave me the corporate card, so I splurged on the wine. It's over a million won.

Call Na-yeon. Let's drink together.

Sin-yu I must be honest with you.

Wook When were you not?

Just as I thought.

역시

Sin-yu I have a crush on someone.

Wook What?

Who? What happened?

You don't easily fall for anyone.

This is the first time I've heard you saying you like someone.

#SCENE At the bar.

Hong-jo Hey, wake up. Go home and sleep.

Na-yeon Call Sin-yu. I miss him.

Hong-jo I'll call a driver. Where's your car?

Na-yeon Aren't you curious? If I tell him I'm here, will he come or not?

#SCENE In restaurant.

Sin-yu Do you believe in reincarnation?

Wook Of course I do.

Sin-yu Then you'll understand this.

Actually, I've loved her since long ago.

Wook She's your first love. From elementary school? Or from kindergarten?

LEE HONG-JO

Sin-yu No. Way before that.

Wook Way before that?

Were you two born in the same hospital? Don't be silly.

Sin-yu I need to answer this call.

Yes. Where are you?

#SCENE At the bar.

Hong-jo You're here.

Take Na-yeon.

Sin-yu What happened?

It's odd you were drinking together.

Hong-jo She called, so I had to come.

She said random things to me and then got drunk.

Sin-yu What things?

Hong-jo Things I didn't want to know.

Sin-yu Whatever she said, don't mind it.

Hong-jo How can I not?

Do you know what I was thinking after I called you?

Sin-yu Let's talk later.

Hong-jo I've got to go.

I can't believe he actually came.

#SCENE Outside of Hong-jo's house, 2F

Hong-jo Mr. Kwon.

I'm sorry.

I didn't know it was you.

What were you doing there in the middle of the night?

Kwon I just wanted to share some food with you.

My landlord sent a parcel. And there was a note inside with some kimchi and eggs,
saying I should share half of them with you.

Hong-jo Still, you didn't have to come at this late hour.

Kwon Because it was late, I was worried if you came home safely.

We even put up a CCTV to protect you and...

Gosh.

Hong-jo I'm sorry.

Kwon If you're sorry, be my plus-one.

Hong-jo Sorry?

Kwon Are you turning me down after ruining my face?

Fine.

I must go home, but I can't see.

Am I going blind?

I can't go to the gathering anyway.

Who are you?

Do you want to be my plus-one?

Hong-jo I'll go. Happy now?

Kwon You promised.

#SCENE Sin-yu's car

Na-yeon Why are you here?

We could've gone to your place.

Sin-yu Don't get me wrong.

#SCENE Sin-yu's Office.

Sin-yu Have a seat.

Why did you come like that?

Hong-jo What do you mean?

Sin-yu Why did you dress up so nicely?

Hong-jo Because I wanted to.

Sin-yu I know he gave you a ride this morning.

What would others think if they find out you're carpooling with Jae-gyeong?

It can be misleading.

Hong-jo What about you?

Sin-yu Me?

Hong-jo Last night. Why did you do that?

Sin-yu Are you jealous?

Hong-jo I'm not jealous. I'm annoyed.

What are you playing at?

You told me to wait.

Sin-yu You said you'd wait, but then you carpoolled with him.

Hong-jo Yes, we carpoolled.

Because it shortens my 40-minute commute to 20 minutes.

Sin-yu You promised to be pure.

Hong-jo You're not pure either.

Do you know what I was thinking while waiting for you at the bar?

I was wishing you wouldn't come to pick Na-yeon up.

That's what I was thinking.

I'm wishing for a couple to break up.

I'm worried about it not happening.

I get suspicious and jealous about what might've happened.

Do you know how terrible this feels?

Sin-yu Is that why you go around with Jae-gyeong?

Hong-jo You go around with Na-yeon too.

Sin-yu It's not the same.

I even told you that I loved you.

And you still don't trust me?

Hong-jo I'm not the only one you love.

There are a lot of people you love.

Sin-yu So I guess it's possible for you to love a lot of people at the same time?

You like both me and Jae-gyeong.

Hong-jo Maybe. I'm not sure about my feelings.

Because of all the mixed signals.

Sin-yu So words are not enough.

Hong-jo What are you doing? You're not even pure.

Sin-yu I'm doing this because I'm not pure right now.

Gi-dong Mr. Jang.

You two, What are you doing?

Sin-yu Can't you tell?

We were consulting.

Gi-dong I think you pushed her.

Hong-jo No. The chair slid by itself. The wheels work well.

Sin-yu Did they lube it?

Hong-jo Thanks for the consultation.

Sin-yu Thank you.
Sin-yu Can't you knock before you enter?
Gi-dong I used a coupon for it.
Sin-yu It's valid until this year. What is it?
Gi-dong Mr. Kwon is going to a couple gathering today.
He didn't tell me who his partner was.
Should I find out?
Sin-yu Please don't.
And get out. Right now.
Gi-dong Right now?

Give me a good reason for playing hooky.
Gong I'm not playinig hooky.
I have a blind date.
Crystal I knew it.
That's why you dressed so nicely today.
Ma Oh my. Is that blind date still ongoing? How persistent.
You can't go early.
Gong If I can't get off work, then I'm going to the restroom.
I'll go to the restroom now.
Others You look gorgeous!

Hong-jo Your face and eyes look okay now.
Kwon I massaged them all night and thought about you.
Hong-jo That's why I had bad dreams.
Kwon Not in a bad way.
You kept popping up in my mind, so I smiled.
Hong-jo. I have something to say.
You might be shocked to hear this so suddenly.
Hong-jo Is that gathering for couples cancelled?
Kwon How did you know?
Hong-jo Is it really cancelled?
Kwon Yes.
Hong-jo Why?
Kwon It's a gathering for couples, but two of the couples broke up recently.
Hong-jo Then where are we going now?
Kwon There's something on your face.
Hong-jo Beauty?
Kwon How did you know?

Hong-jo This parking lot is huge, and we're the only ones here.

Kwon Who would go on a car picnic at minus 12 degrees?

Hong-jo Then why are we doing it?

Kwon Isn't it pretty nice?

Both Seoul and the night view of Han River.

It's been a while. I like it.

Hong-jo I don't like it that much.

I'm cold and hungry.

Kwon Wait for a bit.

잠깐 기다려요.

Goobne - ORDER 1 CRISPY CHILI CHICKEN

Kwon Isn't it delicious?

It feels less cold.

Hong-jo You're right.

This is the best thing you did today.

Kwon Eat the drumstick. This means I'm giving you my everything.

Hong-jo I prefer chicken breast.

Here it is.

Kwon Breast?

Sin-yu (On Phone) GROOT - Where are you?

Kwon Aren't you replying?

Hong-jo Have you ever been in a long-term relationship?

If you date for longer than two years, is it hard to break up?

Kwon Breaking up is easy.

What's hard is dating someone else.

The longer it was, the longer time you need to move on.

Hong-jo If you dated for two years, will it take two years to move on?

Kwon That depends on the individual, but if you truly cared for that person, the process of moving on may take around that long.

Hong-jo Some people date someone else right after they break up.

Kwon That kind of relationship won't last long.

They'll compare their new lover with their ex or keep being reminded of their ex.

Hong-jo I see.

Breaking up sounds hard.

Kwon Yes, it is hard.

So don't wait for Sin-yu.

I'm confessing my feelings now.

Don't get shaken up by Sin-yu. Come to me.

#SCENE Green Landscape garden

Na-yeon This is Hong-jo's.

How can that make this into a thriller? Tell me your plan at least.

I feel disgusted.

Jung-bum I'll just make a wish.

Na-yeon Hey. If you're doing it, do it quick.

I have no time to wait.

#SCENE Ma's House

Gong My Goodness.

Ma Why bother covering yourself? I saw it all yesterday.
Eat breakfast.
Then go home, get changed, and go to work.
Don't wear the same clothes. They'll find out.

Gong I wear the same clothes for a week, so it's fine.
Hey. Are we dating starting today?

Ma What are you saying?
Don't be so old-fashioned.

Gong She must be embarrassed.

#SCENE Sin-yu's Office

Hong-jo, come up right now.

Na-yeon Dad. I need to ask you a favor.
YOON HAK-YEONG, ONJU CITY MAYOR
Mayor Can't you come quickly when I call?
Kwon I was at the budget meeting.
Is there something wrong?
Mayor Lee Hong-jo in Greenway Building Division.

Kwon Excuse me?
Mayor One more thing. About Bawoo Construction...

#SCENE Sin-yu's Office.
Sin-yu Did you get it from Gi-dong?
Don't you know how to knock?
Kwon What the hell did you do?
Is this how you do things?
Sin-yu What's with your attitude?
Please explain what you're trying to say.
Kwon Mayor told me to transfer Hong-jo because she defamed the civil servants by hitting on you.
This is all your fault.
Because you didn't behave properly, she's the one being accused.
Sin-yu Thank you for telling me what's going on.
Whatever it is, I'll deal with it. Keep your nose out of it.
Kwon I can't keep my nose out of it until you get this sorted out.
How are you going to fix this?

Sin-yu Too bad.
I'm too busy to explain it to you now.

어쩌지.

#SCENE Outside of Sin-yu's Office.

Sin-yu Why are you here?

Hong-jo Mayor called me up.

Sin-yu You don't need to go.

Hong-jo What are you doing?

What are we going?

Let go of my hand.

People are looking at us.

Seriously...

Others Isn't he Jang Sin-yu?

Hong-jo Everyone can see us. What are you doing?
This could spread weird rumors, you know.

Sin-yu I'm doing this because it doesn't matter.

Get in the car.

Put your seat belt on.

Hong-jo Where are we going?

I'm supposed to be at work now.

Sin-yu Submit a report.

#SCENE On the beach

Hong-jo You never listen to others, do you?
Aren't you going to tell me why you're doing this?

Sin-yu Na-yeon made me make a promise.

Everyone in City Hall knew we were dating, so she'd be too embarrassed to work if we broke up.

So she asked me to keep it a secret.

She asked me to pretend that nothing happened until the construction was over.

I accepted that request because of you.

People just found out about me and Na-yeon,

so people would've judged you for dating me.

That's why I wanted to take it as slow as possible.

I wanted a peaceful start even if it meant we had to start late.

I thought... that's the right thing to do show you respect.

But none of that matters now.

I'm going to side with you openly now.

Hong-jo Then both of us will get in trouble.

People will point fingers at us.

They'll bad-mouth us.
