**#SCENE** Na-yeon's car

**Jung-bum** This is my present.

Use it well.

**#SCENE** Greenway Building Division Office

**3Star** How can she do this?

어떻게 이럴수가 있

**Others** Unbelievable.

**3Star** She didn't say anything when we drank.

**Crystal** You're right.

어, 그러게

**Crystal** What I hate the most is that she acted like she knew nothing in front of us.

**Hong-jo** Good morning.

Did something happen?

**#SCENE** 1F Lobby in Onju City Hall building

**Hong-jo** We need to talk.

Did you post the pictures?

**Na-yeon** Why would I do that?

I still don't think Sin-yu and I broke up.

**Hong-jo** Did you really not post them?

**Na-yeon** I told you before.

I think you have a stalker.

Aren't you scared?

If I were you, I would be looking for that stalker first.

**Hong-jo** And you didn't hire that stalker?

**Na-yeon** You must think you're somebody.

Well, you are the talk of the town.

For hitting on multiple men.

**Hong-jo** This was a stupid idea.

내가 쓸데없는 짓을

Even if you did it, you would never admit it.

Forget it. Get back to work.

**#SCENE** In Elevator

**Woman1** It's her in the pictures.

**Woman2** She's so promiscuous.

(성생활이) 난잡한,

**Woman3** I'm actually jealous.

Both of them are the most popular men here.

**Hong-jo** Excuse me. I can hear you.

다 들리거든요.

And I'm not promiscuous.

Goodbye.

**#SCENE** Sin-yu's office

**Gi-dong** It was posted then deleted quickly.

But the screenshots keep going around.

The whole City Hall is making a fuss.

Mayor is shouted in anger.

This is the biggest scandal I've seen in five years of my career here.

Where are you going?

Not to Hong-jo, right?

**Sin-yu** If I go meet her right now, don't you think things will get worse?

**Gi-dong** Then where...

**#SCENE** Lounge in Onju City Hall

**Hong-jo** I was going to tell you. But--

**3Star** You were going to tell us?

You should've told us.

We were trying to impress Mr. Jang in karaoke...

No!

My pride is hurt.

So embarrassing.

What did you think of us?

Did you have fun watching us?

**Crystal** Yes

Did you find us funny?

우리 꼴이 우스웠어

**Hong-jo** No, I never thought that.

I didn't keep it a secret on purpose.

I couldn't tell you.

**3Star** Of course you couldn't tell us.

You were two-timing.

How can you date two guys?

I don't believe this.

**Hong-jo** I will tell you everything.

**Crystal** Whatever. It's too late.

You're worse than girls like her who hit on guys so aggressively.

Flirting with everyone, acting innocent.

Let's go.

What's wrong?

**Hong-jo** Ms. Yoo.

**#SCENE** Outside of Onju City Hall.

**Sin-yu** (On kakaotalk) Are you okay?

**Hong-jo** Yes. I'm perfectly fine.

I'm working energetically.

**Gong** What's going on here?

I can't even breathe.

If you have a problem, just fight.

**Ma** That's absolute nonsense.

**Gong** It's fun to watch others fight.

I'll go check out the tree replacement site.

**Ma** It's just that tree, right?

Why did it die alone?

**Gong** Since you're curious,

I'll do my best to find out.

And one more thing.

I'm rewriting the document .

Are you curious?

궁금하시죠?

**Ma** I'm not.

**3Star** A tree over three meters dies.

And a ridiculous scandal breaks.

Why are so many incidents happening since the start of the year?

**#SCENE** Sin-yu's office

**Jung-beom** You seem fine.

**Sin-yu** Is there any reason not to be?

**Jung-beom** On my way in, the atmosphere felt strange, so I asked around.

An incredible scandal broke apparently.

**Sin-yu** It's not a scandal, It's a crime.

You can't take others' pictures without permission.

**Jung-beom** I see.

They posted pictures.

I wonder who did that?

**Sin-yu** Is there no news yet?

About your missing wife.

**Jung-beom** You know a lot about me.

**Sin-yu** Yes. And I'm thinking that it's very strange.

You're here to complain about how unfair it is  
to be excluded from the partner selection.

But you keep talking about something else.

**Jung-beom** We can... talk about that now.

**#SCENE** Underconstruction spot in the Park

**Worker1** Up.

Up.

Okay.

To the right.

Move aside.

**Worker2** What?

**worker3** What is it?

**Worker2** What's wrong?

**Worker3** That...

**Worker4** What's that?

**Worker5** Human bones.

**#SCENE** Mount Onju

**Hong-jo** Where is this?

I think it's around here.

There really is a pit.

Who did this?

**#SCENE** Underconstruction spot in the Park

**Sin-yu** Did Green Landscape Garden take part in creating this park too?

**Guess** I guess so.

But it was under a different name then.

**Sin-yu** By any chance, did Na Jung-beom's wife go missing around the time this park was  
created?

**Gong** I think she went missing much earlier.

But why... Don't tell me... Don't. Don't come in.

DESTINED WITH YOU

Episode 12 preview

**Sin-yu** Hong-jo?

**Hong-jo** I now understand what you said.

You said you saw me in your dreams.

I saw you too.

**Mu-jin** Even all my servants have names.

I can't call you "No-name."

I'll name you.

**Sin-yu** What did you see?

**Hong-jo** I saw something

I didn't want to see.
