<b>Hong-jo</b>	I checked from 9:00 p.m. yesterday to 8:00 a.m. today. As the complaint said, they were really working until dawn.	
<b>civil petitioner(W)</b>	Exactly. They were drilling throught the night again last night. How can we live like this?	
<b>civil petitioner</b>	You can stop the construction, right?	
<b>Hong-jo</b>	Well, it is very nosiy. But they don't exceed the limit set by the Nosy Control Act, so I don't think we can stop them.	
<b>civil petitioner</b>	Forget it. We have no choice but to solve it ourselves. Everyone, let's go in! Let's go!	
<b>Complainants</b>	Come out!	
<b>Workers</b>	Gosh.

What a headache.  
Don't do this today.  
I have a trial in the morning.  
I'll be in trouble if you touch me.  
Red Hand.  
I asked you not to do this when I'm busy.

재판

**Uk** Who are you talking to?  
**Sin-yu** To someone that likes me.  
**Uk** Are you having an affair?  
**Sin-yu** We haven't gone that far.  
I have't seen her face yet.  
**Uk** This is how scary sleep deprivaions is.  
It's three o'clock. Get some sleep.  
You'll lose anyway.  
**Sin-yu** What if I don't?  
**Uk** Haum has way too may records of accidenal deaths.  
And the owners is atrocious person.  
And the judge is an extremly strict one.  
**Sin-yu** I have a question.  
Do you have a woman in your room too?  
**Uk** What woman?  
**Sin-yu** Who do you think I was talking to just now?  
What do you think about Lawyer Kim?  
He's sweeter than he looks.  
His room is next to mine.  
Stop coming to my room and ...  
**Uk** Shut it!

개차반

**#SCENE** Law Court

**Prosecutor** Your Honor.

Based on our research, the total number of deaths at Haum's construction site were 31.  
This proves that this happened duen to Haum Construction not fully adherin to the safety rules on the consturction site.  
This is at least ten years.

adhering

**Yen-seo** Darn it.

**Judge** Counsel, you may give your final testimony.

**#SCENE** DEFENDANT, LAWYER

**Sin-yu** Your Honor.  
Before the final testimony, I would like to request the wife of the decesed Park Dae-ho to be a witness.

Before coming to the court today, you refused the settlement offered by Haum.  
Were you unhappy wth it?

**the wife of Park** You can't just hush someone with 100 million because he does simple labor. It's absurd.

**Sin-yu** Too bad 100 millon won couldn't satisfiy you.

**the wife of Park** What did you say?

Poor onsite management.

**Sin-yu** Lack of safety facilities. Do you think the fall happened dut to this factors?

**the wife of Park** Yes.

He had a hard time working on the site because of poor working conditions.  
I'm sure he had.

**Sin-yu** Though it must've been hard mentally, not physically.

**Hyeon-seo** Because his wife forced him to fall and die.

**the wife of Park** What nonsense are you -

**Sin-yu** No.

I'll correct myself.

**Hyeon-seo** You forced him to fall accidentally.

**the wife of Park** Are you saying he died on purpose?

**Hyeon-seo** Your son was diagnosed with blood cancer, right?

It was a rare type, so you needed big bucks.

Mrs. Wook Yeung-hui here came up with an idea to get the money.

Mrs. Wook Yeung

**Hyeon-seo** "Let's get into an accident and file a lawsuit against Haum.

They will get suspicious if you suddenly take out insurance,

**Hyeon-seo** so let's fall and get the settlement.

But I should not leave any evidence on the phone."

But Park Dae-ho must've been a curious person.

So he often borrowed his co-worker Kim Sang-min's phone.

He deleted the search history, but here's forensic data of the search terms left from  
when he borrowed Kim Sang-min's phone.

He was planning to fall, so he worked on fourth floor.

"I wore thick clothes and a safety helmet, so I won't die even if I fall."

With that thought in mind, he unclipped the rope clip.

But there happened to be an hydraulic rebar cutter and a severed rebar next to  
where Park Dae-ho's head landed.

Which penetrated his safety helmet, and it caused a very unlucky death.

I rest my case.

**Judge** Witness.

Do you have anything to admit from what the counsel said?

**Yen-seo** Good job.

**#SCENE** Law firm Office

**CEO in LAW & HIGH** Let's keep a lid on it.

Nothing happened yesterday.

**Lawyer1** I went to the ER and got a three-week diagnosis.

I can't let it slide.

**Uk** I think we should take action this time.

Verbal, sexual, and even physical abuse --

**CEO in LAW & HIGH** That's why you should not have let that happen.

Entertaining clients is part of your work.

You should forget that you're lawyers if you want to brown-nose them.

**#SCENE** In Party Room?

**Yen-seo** Come here.

Why?

Is this too much?

**Lawyer1** Sir.

I'll pour you a drink.

**Yen-seo** You.

How dare you...

Let me go.

**Sin-yu** There are four CCTVs in here.  
You'll be charged with assault.

상해죄

**#SCENE** Law firm Office

**CEO in LAW & HIGH**

No law firm files a lawsuit against their biggest client and a major shareholder.

**Sin-yu** Let's add a condition.  
We can't just keep a lid on something that stinks.

**#SCENE** The lake in a park

**Civil servant2** You think that's due to water pollution?  
Call Sanitation Division immediately.

**Hong-jo** Let's just take them out.  
If we leave them be, we'll get a lot of complaints.

**Civil servant2** This is...  
There are a lot of ways to go crazy.  
Were they trying to cook spicy catfish stew in the lake?

**Hong-jo** I think they did a ritual of a sort.  
Catfish represents wealth,  
and the neck is cut off very neatly.

**Civil servant2** Gosh, put it away.  
Put that in here already. I'm about to throw up.

**Hong-jo** We should check the CCTV and find who did this, right?

**Civil servant2** Stop it.  
I've had enough of having it rough because of you.  
Do you think handling all these complaints will get you promoted to a high position quickly?  
Not at all.  
You're just a foolish, stubborn,  
and tactless ninth-grade civil servant.  
Seniors don't like tactless juniors. We like foxy juniors.  
Darn it.

Jeong-min

**#SCENE** ONJU DONG-GU OFFICE

**Civil Servant2** Sir.  
I do not want to go to work with Hong-jo on a complaint ever again. No way.

**#SCENE** GREENWAY BUILDING DIVISION

환경녹지과

**Team leader** Dreams indeed come true.  
Jeong-min, your dream came true.  
Hong-jo's transferred to City Hall.

**Civil Servant2** Why is she transferred?

**#SCENE** PERSONAL APPOINTMENT | GREEN BUILDING DIVISION

**Civil Servant2** What good does she do?

**Team leader** Is going to City Hall exactly a good thing?

**Gong** You'll definitely see me again before you quit as a civil servant.

**Hong-jo.** Gosh. I'm doomed.  
What should I do?  
Why does it have to be City Hall?

**#SCENE** Bus / In Bus

**#SCENE** Red Moon at Alley

**Hong-jo** I'm so scared of meeting Mr. Gong.

Don't get scared.

It might not be his team.

Lee Hong-jo. You can do it, right?

Right?

It's a needless fear.

Please don't let me join Mr. Gong's team.

How ominous.

The moon is blood red.

**#SCENE** The shrine in Mount Onju

**Youtuber** The man who goes to hell.

I'm Hello.

Today, I'm on Mount Onju.

When you diverge a bit from the hiking trail, you can find this haunted house.

A very skilled shaman used to live here.

I'll go in.

Excuse me.

A cutter blade.

I'll get going.

Okay.

Look at the talismans.

There's a painting.

Is shre the sharman --

What's that?

Gosh.

Something's very strange.

It feels...

Something...

Something passed by just now.

I went in that room just now.

Something really came out.

This place has a bad vibe.

**#SCENE** Hong-jo's room

**Hong-jo** I'm scared.

**#SCENE** Front on Onju City Hall

**Hong-jo** You can do it, Lee Hong-jo.

**#SCENE** Office in ONJU CITY

**#SCENE** GreenWay Building Division

**Three Star** Thank you (in call?)

**Hong-jo** Hello. I'm Lee Hong-jo.

I got transferred to Park Maintenace Team.

**Gong** Welcome.

Would you like a welcome drink?

**Hong-jo** It's okay.

**Gong** I'm sure it is.

Did you drink on the first day of your transfer? You face...

**Hong-jo** Oh, my face... It flushes when I'm stressed.

**Gong** Are you Stressed because you had to join Park Maintenance Team of Greenway Building Divisin, out of all the department here, where I am the team leader?

**Hong-jo** That's not it, I always--

**Gong** Life is always fair.  
Thanks to you, I had surgery for my stress-induced hemorrhoid.

**Hong-jo** I'm sorry.

**Gong** It's all in the past.  
It has healed well now.  
I don't hold grudges for long.  
Say hello to the others.

뒤끝

**Hong-jo** Nice to meet you.  
Where did Manager go?

**Gong** She's on Vacation.  
If it weren't for you, that desk would've been mine.  
Don't just stand there. Get to work.

**#SCENE** PARK MAINTENANCE TEAM ROLES AND RESPONSIBILITIES

**Hong-jo** Excuse me.  
Are these all my responsibilities?

**3Star** Mr. Gong  
Hong-jo seems to be unhappy with the division of work.

**Hong-jo** That's not it.

**Gong** Really?  
I wrote it out in detail for you.  
But you must want a summary.  
In two words, complete management.  
Understood?  
Let's have a meeting about the artificial fountain.

한마디로..  
됐지?

**3Star, Su-jeong** Okay.

**Hong-jo** Okay.

**Gong** You're dumber than I thought.  
Who'll answer the phone if we're all gone?

**Hong-jo** Right.

**#SCENE** 다음날 ONJY CITY

**Gong** Ms. Lee, have you decided what to eat?  
That's the most important task of a newcomer.

**Hong-jo** Yes, I looked up 30 famous nearby restaurants.  
One, "Syster's Hot Pot."  
Two...(Candidate no.2. Lee Seowon jjamppong)  
Three, "50 Years Hamheung Naegmyeon."  
Four, "Spicy Rose Tteokbokki."  
What would you like?

**Gong** What do you want to eat?

**Hong-jo** Well, that about hamheung naegmyeoun?  
It was 50 years of history.

**Gong** Sure, go with ti.

**Hong-jo** Okay.

**Gong** Enjoy.  
We'll go to the cafeteria.  
I like a balanced diet that changes daily.

**Hong-jo** I'll go the cafeteria too.

**Gong** That won't do.

Only boomers bring someone who want to eat naengmyeon to the cafeteria.

꼰대

Young ones like to eat alone.

They want to be alone during the lunch break at least.

I have a young mindset. I want to secure the freedom of young generations.

**#SCENE** Cold Noodles restaurant

**Ms.1** I'm so hungry, I'll eat it all.

It's PV

**Ms.2** Gosh.

**Ms.1** He looks great in his suit today too.

**Ms.3** Why he called PV, though?

**Ms.1** The person in charge of visual in Onju City Hall.

**Ms.2** Nobody else looks that handsome.

**Ms.1** He's so handsome.

Kwon Jae-gyeong's existence alone makes our welfare decent.

**Ms.3** I'm glad I became a civil servant.

I'm sure he has a girlfriend.

**Ms.1** Does it matter?

Why are you asking that?

**Ms.3** I'm just curious.

**Ms.1** It's not your turn.

**Ms.2** Whose turn is it?

**Ms.1** Mine

Welcome.

**#SCENE** Sin-yu's Office

**Sin-yu** Is being a lawyer supposed to be boring?

Or did my mind change?

I do need comfort right now.

But could you go wash your hands?

Isn't the scent of soap better than the smell of blood?

**#SCENE** Onju City Office

**Youtuber's Father** What are you going to do about my son?

**Civil petitioner(w)** I made dozens of complaints to demolish that haunted house.

But you guys turned a deaf ear.

**Gong** We were very shocked when we read the news too.

My deepest condolences.

**Youtuber's Father** Condolences?

How dare you say that?

**Civil petitioner(w)**

Do you know how scared we were whenever we hiked because of that house?

Demolish it right away!

**Gong** I'm sorry, but we're not in charge of demolishing.

It's Under Construction.

You should go there.

**Youtuber's Father** Look here.

We just went there.

And guess what?

Thy told us to come here because they weren't in charge of it!

You're just trying to push us aside.

**Civil petitioner(w)** We came straight from there What nonsense are you saying?

Is this how you work?

**Youtuber's Father** Call the mayor here!

**Gong** Hey, Wait.

Hey.

Somebody stop him.

**Hong-jo** I'll handle it.

It's in the Mount Onju Trail.

The trail is a part of the park, and I'm in charge of the park.

**Gong** Yes.

Ms. Lee over here dos her work very well.

She was well-known in the office as the Queen of Complaints.

You can handle this too, right?

**Hong-jo** Yes.

**#SCENE** Mount Onju / Rainy Day

**Hong-jo** The video is deleted.

**3Star** Of course, Someone died.

You really can't read the room.

Why did you say you would do it?

**Hong-jo** Someone has to do it.

**3Star** What a great civil servant you are.

You'll get a commendation.

**Hong-jo** Actually, I wanted to get brownie points with Mr.Gong.

You know about that incident, right?

**3Star** Everyone in City Hall knows that.

I'll only accompany you until here.

**Hong-jo** I need to go up on my own?

**3Star** I never said I would go to a haunted place.

I hate horror and thrillers.

I have a weak heart too.

I forgot to tell you the most important thing.

There's only one raincoat.

**#SCENE** The shrine in Mount Onju

**Hong-jo** Gosh. They call it a shrine, but it's a hanted house.

We have got to demolish this place.

My Goodness.

**Eun-wol Voice** What took you so long to come here?

**Hong-jo** Dramas reflected the truth well.

The Grim Reaper is handsome.

You accompany me to the afterlife, right?

Or are we going to a teahouse first?

I'd like to go to a teahouse with you.

Grim Reapers nowadays must collect souls with newest cell phones.

---

**Hong-jo** You had a raincoat.

**3Star** Is that important?

What happened?  
Why are you lying down here?

**Hong-jo** Am I alive?

**3Star** Well, what do you think?

**Hong-jo** What you're seeing might be my soul.  
I just saw a Grim Reaper.

**#SCENE FUNERAL**

**Condoler1** I know right?

**Condoler2** Everyone except the younger brother's family passed away.

**Condoler3** Is he the oldest son of the Poosan Jang family?

**Condoler4** The son who's a lawyer?

**Condoler5** He's very handsome.

**Se-hyun** When I gave you the land in Onju,  
I told you to take good care of the shrine.

신당

**Sin-yu** I entrusted that task to Kim Sam-bong.  
"It needs to be repaired."  
"My son's business went under."  
He implored me with various reasons,  
so I paid him three years' worth of pay, 300 million won in advance.  
But when I went there today,  
I realized that Kim Sam-bong never managed that place.

**Se-hyun** You got scammed as a lawyer?

**Sin-yu** You recommended that scammer.

**Se-hyun** Do you not know how important that shrine is?  
You should've visited and checked regularly.

**Sin-yu** I worked for 100 hours a week after joining the law firm.  
I can't even go to my house nearby.  
So how can I manage the shrine?

**Se-hyun** Quit the law firm right away.

**Uncle in Sunglass** That's enough.  
There's no use crying over spilled milk.  
I'm sure Sin-yu will take care of it well.  
Here.  
Pure me a drink.

**Sin-yu** Would you be fine?

**Uncle in Sunglass** I'm 70 years old.  
I'll be recorded as the man that lived the longest in the Jang family.  
Let me drink as much as I want now.  
Sin-yu, please age safe and sound and break my record.

**Se-hyun** What's wrong?  
Are you sick?

**Sin-yu** Don't you know?  
It's popular among lawyers. "Trembling liquor."  
When you make your hands tremble as you pour the liquor,  
the air gets mixed in it, making the liquor taste milder.

**Uncle in Sunglass** It tastes nice.

**Sin-yu** Legal Professionals lead the drinking culture.  
Would you like it too?

**Mom** Here.

How do I look?  
**Sin-yu** Too much?  
**Mom** What is?  
My Beauty?  
**Sin-yu** Everything.  
Father is very angry.  
You can't change your clothes, but remove your makeup at least.  
**Mom** Where are you going?  
Can't you come with me?

**#SCENE** Onju City Hall Office

**Gong** I get why it was famous as a haunted house.  
**Hong-jo** Yes. So we definitely need to demolish it, but it won't be easy.  
**Gong** Why is it so?  
**Hong-jo** The Mount Onju Trail is very famous, so I thought it was owned by Onju.  
But that area was a private property.  
**Gong** Then go to the owner and ask them to demolish it.  
They should clean up their mess.  
**Hong-jo** The contact number isn't found on the land register,  
So I don't know what to do.  
**Gong** I'll ask you a question.  
Think about it carefully.

Someone framed me with a malicious intent and reported me to the Audit Team.  
I know nothing about the accuser except her name, Lee Hong-jo.  
So what did I do?

**Hong-jo** You asked around?  
**Gong** Correct answer!  
Until you find a correct answer, don't come back.  
Don't come to the office until you solve the issue.  
Is that clear?

정답

**Hong-jo** Yes.

**#SCENE** Onjusan 정자?

**Hong-jo** So the owner of the land is a shaman,  
and the shaman's name is Jang Sin-yu right?

무당

**Sir** No.  
The shaman's name is Eun-wol.  
She's pretty.

**Ma'am** The landlord is someone else.  
It's a noble family for generations and owns a lot of land.  
That family is the richest.

**Hong-jo** So where can I go to meet that family member?

**Ma'am1** Well...  
I hear he's the chairman of some construction company.

**Ma'am2** No.  
That son who is a successful lawyer.

**Hong-jo** (typing in SmartPhone) SON OF A CONSTRUCTION COMPANY CEO, SUCCESSFUL  
LAWYER  
So he's from a noble family with a lot of land,  
a son of a chairman,

and a successful lawyer?  
That Jang Sin-yu guy?  
I hate him already.

**#SCENE** Hospital

**Doctor** I have bad news.

The left side of your brain seems abnormal.

Near your basal ganglia.

The damaged blood vessel wall caused a vascular disease.

That caused the headache and the trembling in your right hand.

**Sin-yu** Wasn't it fine six months ago?

**Doctor**

Well, it's a genetic disorder and a chromosome mutation, so it's hard to predict.

**Sin-yu** Still, try to predict what will happen in the future.

**Doctor** Right hemiplegia,

loss of sense in your hands and feet,

and language impairment might happen.

**Sin-yu** How can I treat it?

**Doctor** You can't treat a genetic disorder.

But you need to continue with the preventive treatment for ischemic stroke.

Reduce stress as much as you can.

You have a time bomb in your head that could explode any time.

**#SCENE** LAW FIRM LAW & HIGH

**Hong-jo** Twenty-ninth floor.

**Elevator** Doors opening.

**Hong-jo** You should've taken me that time.

Why do you keep following me?

**Sin-yu** I was in this elevator first.

You got in after me.

I wasn't following you.

**Hong-jo** You could've expected me to get in this elevator.

Not yet.

I don't want to go.

**Sin-yu** Move aside.

**Hong-jo** Why?

**Elevator** Doors opening.

**Sin-yu** I'm getting out.

**Hong-jo** Are you a human?

—

**Hong-jo** What's this?

He came here too?

**Reception** Did you make an appointment?

**Hong-jo** I'm from Onju City Hall.

I'm here to see Jang Sin-yu for work.

**Reception** The person that came in with you is Lawyer Jang Sin-yu.

**Hong-jo** What?

**Sin-yu** Make an appointment first.

**Hong-jo** I'm not here for that.

I'm from Onju City Hall regarding the house.

Haven't we met before?

In that haunted house on the rainy day.  
Right?

**Sin-yu** Probably.

**Hong-jo** You scared me so much.  
I even fainted. How could you just leave?  
You should've called 911 at least.

**Sin-yu** I don't need to be kind to someone who trespassed on my property.

**Hong-jo** It wasn't trespassing.  
I went there to check because of a complaint.  
Anyway, youj should've call 911.  
What if I'd have died there?  
Then the shrine would've witnessed two deaths.  
Demolish the haunted house and restore Mount Onju.

**Sin-yu** No.

**Hong-jo** Why?

**Sin-yu** I don't want to demolish it.

**Hong-jo** Someone died in the haunted house.

**Sin-yu** I never told him to go there.

**Hong-jo** If you refuse to restore it, we'll send you an execution notice.

**Sin-yu** You should it ot the constructor, not me.  
You can't demolish a building without the constuctor's agreement.  
You can be charged for property damage or asked for compensation.

**Hong-jo** Then get the constructor's agreement.

**Sin-yu** Why should I bother?

**Hong-jo** If you do this, the cithy might demolish it by force.

**Sin-yu** If you do that, I could sue you.  
Hiking on someone else's property and setting up the stairs, street lamps, and  
workout equipment is illegal.

**Hong-jo** I didn't do that, and they've been there for over ten years.

**Sin-yu** Designating someone else's land as a park without the owner's consent and  
preventing the owner from exercising property rights is serious invasion of private  
property.  
Now leave quietly.  
And don't do anything.  
If I sue you, you'll lose.

**#SCENE** In Hong-jo's memory.

**Gong** Correct Answer.  
Until you finde a correct answer, don't come back.

**Sin-yu** Why aren't you leaving?  
Do you want to go to a teahouse with a Grim Reaper?

**#SCENE** In Hong-jo's memory.

I'd like to go a teahouse with you.  
Teahouse...

**Hong-jo** I thought I said it in my head.  
Did I say it out loud?  
You're crazy, Lee Hong-jo.

**#SCENE** Front of Onju City Hall.

**Protesters** We're against incinerataion facility!

We're against incineration facility!  
Incineration facility!  
We're against incineration facility!  
Incineration facility!

**Protester** Yoon Hak-yeong!  
Yoon Hak-yeong!

**Protesters** Yoon Hak-yeong must resign!  
Yoon Hak-yeong must resign!

**Protesters** Resign!  
Yoon Hak-yeong must resign!  
Yoon Hak-yeong!

**Hong-jo** No.

**남시위대** Kwon Jae-gyeong. Protest

Take this.  
My gosh!

**Kwon** I'll call you back.

**Hong-jo** I was just passing by.  
Go up. And continue with your protest. 시위

**Protester** Sure.

**Hong-jo** I'll get going.

**Gong** Half of Half of half.  
Who said DS stocks would go up?

**Hong-jo** Excuse me.

**Gong** Can't you feel it?  
If I were you, I wouldn't talk to me.

**Hong-jo** I'll keep it short.  
It will take longer to demolish the shrine  
The owner of the land is stubborn.

**Gong** So are those who complained.  
They said they would sue City Hall.  
Then who do you think will be the accused?

**Hong-jo** The mayor?

**Gong** Correct!  
You know that the mayor will be accused?

Those who started this job along with me became managers, but I didn't. Why?  
Because of Ms. Lee Hong-jo.  
I can see myself not getting promoted next year too.  
Why? Because of Ms. Lee Hong-jo.

**Hong-jo** I'm sorry.

**Gong** Don't do anything to apologize for.  
What did I make you do?  
Did I tell you to remove weeds or make a flower bridge?  
I even excluded you from choosing lunch.  
I was so considerate to give you one job, the demolition.  
Why can't you do it?  
Where is the swiftness you used to report me?  
Go get it demolished before the mayor gets accused.  
Aren't you going?  
Go!

**#SCENE** In Restarant

**Na-yeon** Can I sue my boyfriend who goes MIA for a week?  
For insulting me or neglecting me?

**Sin-yu** I had a funeral.

**Na-yeon** All the more reason to call me.  
Your parents will think badly of me.

**Sin-yu** They wouldn't have had enough time for that.  
They were busy with some stuff.

**Na-yeon** You feel very distant.  
You don't tell me important things.  
Tell me about the stuff in detail.

**(Doctor)** Right hemiplegia, loss of sense in you hand and feet, and language impairment  
might happen. You can't treat a genetic disorder.

**Na-yeon** I'm studying the kinship terminology.  
Guess what you call the father of your in-law.  
"Co-parent-in-law."

**Sin-yu** The one who passed away was my second cousin once removed.  
Guess the degree.

**Na-yeon** Nine degrees?

**Sin-yu** See why I didn't call?  
You should study more.

**Na-yeon** Your family's interesting.  
I really liked my aunt.  
Bug I can't meet her since my parents divorced.  
Let's go to Sokcho.  
There's a hotel in front of the sea.  
I heard the view was amazing.

**Sin-yu** I need to prepare a trial.

**Na-yeon** Fine.  
Trial? Fine, get married to your job.  
Have the judge catch the bouquet.  
I'll decorate your house for free.  
A super-gloomy court style using North American walnut wood.

**Sin-yu** Please hang the national flag by the bed too.

**#SCENE** Town in Mount Onju

**Ma'am** Give me that.

**Hong-jo.** Ma'am.  
Where should I go to meet the shaman that lives in the shrine?

**Ma'am2** Was it two years ago?  
She went to a nursing hospital.  
But I don't know where.

**Ma'am1** Right. Go ask the Jang family.  
Since they treasured the shrine, they must know.

**Hong-jo** I don't want to ask.  
Why?  
Because that Jang Sin-yu guy won't tell me even if I ask.

**#SCENE** In Elevator

**Kwon** You finished late.

**Hong-jo** So did you.

**Kwon** Are you okay?

**Hong-jo** Yes. Well ...

I turn red all the time.

I have rosacea.

It's not climacteric.

**Kwon** Why did you do that earlier?

What if it was acid?

**Hong-jo** Gosh, could it have been acid?

I didn't think about that.

Then could it be that my face is burning, not flusing?

**Kwon** Don't joke about it.

I was worried all day.

**Hong-jo** They're not someone to throw acid.

When I worked in Onju Dong-go Office, they protested and threw stuff.

Once, they threw yellow liquid, so I thought it was pee.

But it was an energy drink.

Was it soda today?

It was quite sweet.

**Kwon** Don't do it again.

As for the demolition,

you don't have to do it.

So don't push yourself.

**Hong-jo** Okay.

**Elevator** Doors opening.

**Hong-jo** Wait.

**#SCENE** Front of Onju City Hall | GREEN BREATH ONJU

**Hong-jo** By the way, how did you know that I was in charge of the demolition?

**Kwon** It's written all over your face.

It was supposed to be a joke.

I'm terrible at it. Have a safe trip back.

**Hong-jo** How cute!

**#SCENE** Sin-yu's House.

**#SCENE** LAWFIRM LAW & HIGH

**Reception** Hello.

**Hong-jo** Good morning!

**Sin-yu** If you want a good morning, get out.

**Hong-jo** How rude.

**Sin-yu** You're the rude one.

I have a good personality and am humorous.

So people say I'm cute like a puppy.

But you only come on the days when I get sensitive.

So you're the unlucky one.

**Hong-jo** Is it the shrine that makes you, who has a good personality, are humorous, and area as cute as a puppy, become sensitive?

**Sin-yu** I clearly told you that I wouldn't demolish it.

**Hong-jo** I'll take care of the demolition issue.

**Sin-yu** I'll take care of it. By restoring, not demolishing.

**Hong-jo** Restoring it is no use.  
The shaman went to a nursing hospital.

**Sin-yu** Did you dig up information on me?

**Hong-jo** I performed my duty.

**Sin-yu** Which nursing hospital is she at?  
It's no use going to her.

**Hong-jo** I'll still go and meet her.  
If she refuses, I won't bother you again. Okay?  
I promise.

**Sin-yu** Why are you risking your life for this demolition?

**Hong-jo** I'm not risking my life.  
I'm only risking my job as a civil servant.

**Sin-yu** Exactly.  
Why are you risking your job?  
You won't get fired even if you don't demolish it.  
Go now.

**Hong-jo** Because I'm lonely.  
I feel like if I sort this out, my team leader will say, "Let's eat together."  
Ever since I was transferred to City Hall, I've been eating alone.  
I eat alone at home, so I don't want to eat alone at work as well.  
They'll know I'm an outcast.  
Can you please tell me?  
Are you telling me?  
Is this the nursing hospital?

**Sin-yu** Ministry of Labor.  
Workplace bullying consultation center.

**Eun-wol** I don't have dementia. I was joking.

I used to be a beautiful young lady.

Handsome guys like you lined up behind me.

The guy I served didn't let me.

I'm so upset.

(아..후) 속상해

By the way, Sin-yu, you punk.

I even named you. How could you not visit me?

**Sin-yu** You didn't let me go near the shrine.

**Eun-wol** This isn't the shrine.

**Sin-yu** Were you threatened by that civil servant?

You told me not to touch it.

Why did you allow it?

She is ... a total stranger at that.

**Eun-wol** You killed her.

The owner of the bloody hand that caresses your cheek.

Karma will swallow you and you will struggle in horrible pain.

But all the pain and curses will end.

Finally, the owner of the wooden box showed up.

**3Star** My. Gong's unhappy because of his Stocks.  
How can we have dinner?

**Gong** Give me two bottles of soju.

**Su-jeong** Not two. One.

**Hong-jo** Are you guys there together?

**3Star** No. I said I was going home.  
I told you to be quiet.

What about its owner?

**Eun-wol** For the wooden box, you'll find out soon.  
And you already know the owner.

**Shin-yu** Who's the owner of the wooden box?

**Eun-wol** The woman you're thinking of right now.

Let's go to karaoke.

**3Star** Let's go to the car park.  
A driver will come in five minutes.

**Gong** Who told you to call a driver?

**3Star** You told me to call one.  
Mr.Gong. Did you just burp?

**Gong** Yes.

**3Star** Did you eat what came up?

**Gong** No.  
It's garlic.

**3Star** If you burped that much. Shouldn't you eat again?

**Gong** Karaoke is the party's highlight.

**3Star** You'll cry again if you go to karaoke.

**Gong** Just one song.

**Sin-yu** Are you crying?  
Do you want me to stay or leave?

**Hong-jo** I want you to leave.

**Sin-yu** I want you...to come with me.
