Sin-yu	I'm not done with ti.	
Kwon	What?	
Sin-yu	Apparently, I love her.	
	I love Hong-jo.	
Kwon	What did you just say?	
Sin-yu	You heard everything. Why ask again?	
Kwon	You have a fiancée.	
	I wonder what makes you say that with so much confidence.	
Sin-yu	I'm confident in a lot of ways.	
Hong-jo	Stop.	
Kwon	Are you okay with me telling the mayor about this?	
Sin-yu	Let's not drag a private matter into work.	
Kwon	You're telling me not to report it.	
	Which means you feel guilty and dishonest about this.	
Sin-yu	How should I understand this situation?	
	Are you her guardian or something?	
	Why do you keep butting in?	
Kwon	You keep coming to our house and getting on my nerves!	
	You're dating the mayor's daughter while flirting with an officer of City Hall.	
	Does this make sense?	
Hong-jo	Both of you, stop.	
	I'll explain everything about whay he's doing this.	
Sin-yu	Don't, unless you want him to call you crazy.	
Hong-jo	No. I must tell him.	
Kwon	Are you guys out of your minds?	
Sin-yu	I knew it. Why bother explaining to him?	
Kwon	You're saying, he likes you because he drank the love potion?	그러니까
Hong-jo	Yes.	
Kwon	You cast another spell to break that spell.	
	But that went wrong goo?	
Hong-jo	Yes.	
Kwon	Aren't you guys old enough to tell reality and fantasy apart?	
	Time slips and parallel univrses have scientific logic at least,	
	but you believe in spells?	
Sin-yu	I came to her house multiple times. That's the evidence.	
	Even now.	
	I'm very happy because Hong-jo is sitting beside me.	
Hong-jo	Look at his condition.	
Kwon	He does look strange.	
	He does look strange indeed, but--	
Sin-yu	The shaman who wrote the spell book, Aeng-cho was a real person.	
	One of my ancestors killed her.	
	He passed the military service exam and served the king.	
	His name appeared multiple times in Joseon Dynasty Records.	
	That's how great my family is.	

Kwon How can you believe in spells based on this?
Hong-jo, were you persuaded by him too?

Hong-jo Lady Jang Hui0bub used a doll made of straws to curse Queen Inhyeon too.
She probably did that because it had an effect.
During the Japanese Invsion, they drove stakes into the ground to dampen the national spirit.

Kwon Not you too, Hong-jo.

Sin-yu Forget it. 됐어.
We don't need to persuade him.
He doesn't believe us.

Kwon "Us"?

Sin-yu Yes, us.
We believe in spells.
You don't believe in spells.

Kwon Fine, then do it.
Let's check if the spell works right now.

Sin-yu You can't simply cast a spell.
You need the right requirements and ingredients.
And you need to keep your body and mind clean.
Hong-jo is very tired now, so...

Hong-jo I'll do it.
I should've done it before.
That never occurred to me because of you being a complete mess.

Sin-yu I cleaned up other's messese. I was never a mess myself.
If I did look like it, that's because of the spell.

Kwon No need to talk more.
Let's cast a spell right now and check the results.
If it's proven that the spell doesn't work, finish this relationship.

Sin-yu If it's proven to work, what will you do?

Kwon We'll find out then.

Hong-jo It will take some time.
You can wait at your homes.

Sin-yu No, I'll wait here.
All experiemnts must be done under the same conditions.
I live further away, so I'm at a disadvantage.

Kwon Do what you want. I'll be downstairs.
I get cold easily.
Call me when you're done.

Hong-jo I will.
"Pregnancy Spell."
"A spell for having a baby."
I don't have a man. Pass.
"Good Fortune Spell."
"A spell for getting rich"?
"Shake your hand with the richeset man in Joseon and get his energy."
It's hard to meet anyone now. Pass.
"Fair Skin Spell."
"A spell for becoming pretty."
Not bad. I'll put this on my list.
"Seduction Spell"

Hyeon-seo "A spell for getting the man you truly want."

Look at that.

Sin-yu There aren't many spells she can cast right now.
The spell she'll most likely cast is Seduction Spell.

Hyeon-seo She would want Jae-gyeong instead of me.
Jae-gyeong. Jae-gyeong.

Hyeon-seo What is it?
Weren't you going to wait outside?
Too cold, perhaps?

Hyeon-seo I didn't come in because it was cold.
I came in to check something.

Hyeon-seo These stairs aren't connected to the second floor, are they?

Kwon Yes, they are connected to the bedroom upstairs.
You're more gullible than I thought.

Hong-jo Hello. Can you go to that main road? I'll explain when we get there.

Sin-yu Move out to somewhere else.
This house must be drafty. And you get cold easily.

Kwon The heater work fine.

Sin-yu Still, it's uncomfortable.
If someone saw you and her living here, what would they say?

Kwon I don't care. At least, I'm single.

Sin-yu Don't you care about what Hong-jo might feel?

Kwon What about you?
If people see a man with an fiancée coming in and out of this house,
what will they think about that?

Sin-yu You don't need to care about that.
You're just someone living on the first floor.

Kwon Of course I care.
She likes me.

Sin-yu You already turned her down.
So stop minding her business.

Kwon I regret turning down those feelings.
And that Love Spell or whatever. It wasn't for you either.
Be honest with me.
You were attracted to Hong-jo from the start.
Isn't the spell just an excuse?

Sin-yu It isn't.
What's with that smile?

Kwon Promise me this.
When it's proven that spells don't work, stop your rash game.

Sin-yu Sure, I promise.
But, if it's proven that spells do work, you stop meddling in our business.

Kwon Why are you so anxious?

Sin-yu I'm not anxious.
It's a new watch, so I keep looking at it.

Kwon I saw that watch a week ago too.
Are you worried about what spell she might cast and how it might turn out?
Sin-yu.
You graduated from a law school.

Sin-yu Scientists can make a wish upon a shooting star and Edison may want to avoid
Friday the 13th.
That's what shamanism is.

뭐가 그렇게 초조해

People believe in it before they even realize.

Kwon Fine, let's say it's true.

Then how did you get involved with Hong-jo in such a ridiculous situation?

Sin-yu Mount Onju has been my family's land for generations.

And that shrine was there since the Joseon dynasty.

It was our unwritten duty to take care of the shrine, but Hong-jo had to demolish it, and that's where she got the spell book from.

Kwon How did Hong-jo end up getting it?

Sin-yu She is the rightful owner of the box.

Finally.

Kwon Do you think this blackout is also caused by the spell?

Well, it might be better if that was the case.

Because it would be worse if you genuinely liked Hong-jo.

She called me.

Hello, Hong-jo.

Okay.

알겠어요.

She says she's done. Let's go.

Sin-yu, that's cheating.

Sin-yu Come up slowly. Take your time.

Kwon Hey! Open the door!

Gosh!

You said it must be done under the same conditions!

Sin-yu You don't even believe in spells, it won't matter to you!

The door's locked. Calm down.

I said calm down.

Kwon Stop panting first.

Sin-yu Do you think I'm panting?

I think you're panting.

Kwon I'm totally fine.

Sin-yu You're panting really fast now.

Kwon I'm not.

Sin-yu You're not?

Gosh.

Hong-jo Come in.

Sin-yu I came in first.

Kwon My foot is in front of you.

Sin-yu My hand is in front of you.

Hong-jo, can you judge who came in first?

Hong-jo What's wrong with you guys?

Kwon He. On the count of three let's go in together.

Sin-yu Got it. Okay.

Kwon One, two--

Sin-yu Two!

Kwon And he calls himself a lawyer.

Hong-jo Not there. Come here.

Why are you acting like this too?

Sin-yu What spell did you cast?

Hong-jo Can't you tell at all?

Don't you feel anything?

Sin-yu Well... I see. I think it's good.

Hong-jo What is?

I cast the Fair Skin Spell.
How do I look?

Sin-yu I was right. Something good.
You became pretty.
The spell worked.

Kwon No, I think you look the same.

Sin-yu What's the same?
She looks twice prettier than two hours ago.

Kwon Hong-jo has always been... pretty.

Hong-jo Then did nothing change?

Sin-yu No, you changed.
Look at your skin. It's fair and nice.

Kwon It's not that fair.

Sin-yu No, it's fair and nice.
She had freckles on her right cheek. They're gone now.

Kwon They're not. I can still see them.

Sin-yu Loo. She doesn't have any blemishes.

Kwon Here they are.
Can't you see them? I can see them.
I'm not saying they bother me.

Sin-yu Me neither.

Hong-jo Stop looking, both of you.
It's hot.

Kwon Here's the result. Spells don't work.
If they did, it would've stopped her from blushing too.

Hong-jo Am I blushing again?

Sin-yu Fair Skin Spell didn't say it could stop someone from blushing.

Hong-jo Stop it. Sin-yu. Spells don't work.

Sin-yu Then what about the feelings.
I felt for you after drinking the love potion?

Kwon It's not due to the spell.
You might've been attracted to Hong-jo at that instant.

Sin-yu No, I can't accept that.
Try another spell. Let's try again.

Kwon Jang Sin-yu. You look very pathetic now.

Sin-yu I was attracted to her?
Me? No way.

Hong-jo My eye bags are still there.
So are the blemishes.
Even my laugh lines.

Sin-yu [You did shoot me... with a love bullet.
When I'm shot, my heart races.
But I don't want my heart to race looking at you.
But it races.]

Hong-jo If it wasn't due to the spell, were his feelings real?

Kwon (On Kakaotalk) Are you up for beer?

Hong-jo Gosh.
I had no idea the rooftop would turn out like this.

Kwon I bought them on impulse.
Now that I have a rooftop, I wanted to try a lot of things.

Hong-jo It's really nice.

다클서클도 그대로.
잡티도 그대로고.
팔자 주름도 그대로

Kwon Your nose is pretty red, but let's put up with it for the vibe. 낭만을 위해서
Hong-jo I was already blushing a lot.
 Is my nose red too?
 I wish the spell had worked.
 What? 왜요?
 Does it look that stupid to believe in spells?
Kwon No. I'm just happy that you tried to cast the Love Spell on me.
Hong-jo I did it just for fun.
 I wasn't very serious or anything.
Kwon Try these snacks.
Hong-jo Okay.

#SCENE On the Road

Jung-bum [This is for you.]
 GROOT

Kwon Yes, Hong-jo--
Sin-yu Why are you answering Hong-jo's phone?
Kwon It wasn't saved under your name, so I didn't know.
Sin-yu You're still with her? Why?
Kwon Why did you call?
Sin-yu The garden owner is wandering around.
 Tell her to lock her doors securely.
 She'll understand what I mean.
Kwon Okay, I'll tell her that.
Sin-yu What are you guys doing at this hour?
Kwon Sin-yu, you're being really pathetic again.
 I'm hanging up. 끊는다.
Sin-yu "Pathetic." Pathetic...
 Yes, I'm pathetic.
Hong-jo It's soju this round.
Kwon Sin-yu had called.
 He told you to lock your doors well and mentioned the garden owner.
 What's that about?
Hong-jo That owner also drank the love potion like Sin-yu and...
 But why is he doing that?
 If it's not the spell, I don't understand.
Kwon I think I know why.
 How did you come to believe in absurd things like spells?
Hong-jo Well... You know, Sin-yu.
 At first, he seemed unreasonable.
 But later, I felt bad for him.
Kwon It's not easy to think that.
 He has everything.
Hong-jo Well... actually... 그게... 실은요...

#SCENE Outside of Hospital

Sin-yu Can damaged blood vessel walls in the left side of your brain cause emotional malfunction too?
 For example, could it make you believe that you like someone when you actually don't?
 One day, I suddenly had tactile hallucinations. The I saw things.

I even had dreams which felt real.
And now, I feel like I like someone. Everything is a mess.
If that's also caused by the brain damage, isn't it a serious issue?

Doctor Have you heard of neural coupling?

A phenomenon where the brain of a speaker and the brain of a listener work the same way.

When the speaker tells a story in an exciting manner instead of simply relaying information, our brains react more strongly.

#SCENE In front of Onju City Hall

Uram's GF Are you the only one working?

Hong-jo I'm the best worker.

Uram's GF Isn't this pretty?

Hong-jo Yes.

Uram's GF Smell it.

향기 한번 맡아봐!

Hong-jo It's so nice.

Chrysanthemum comes in many colors which makes it prettier.

Sin-yu All of this is just my confusion, right?

Hong-jo I see.

#SCENE Inside of Onju City Hall Building

Kwon What is it?

Sin-yu

Everything I did for Hong-jo until now, there was a reason I had to act that way.

It called neural coupling.

A confusion in my brain caused by an intense story.

Kwon I heard you're sick. Is it because of that?

Sin-yu Did Hong-jo say that?

She disclosed my secret that easily.

Kwon So do you want to confront her?

따질 셈이야?

Sin-yu Of course I should.

Kwon That's an excuse.

핑계 찾지마.

Excuses to call her. Excuses to go to her house.

Don't make any more excuses.

Sin-yu Don't act like you're anything to Hong-jo.

Kwon I think I might become one. I'll be straight with her.

Sin-yu Hong-jo works on the seventh floor.

"Straight" won't get you to her.

Come up to the rooftop right now.

#SCENE Rooftop on Onju City Hall Building

Sin-yu What did you do?

Hong-jo What's this about?

Sin-yu Jae-gyeong knew I was sick.

How could you gossip about something like that casually?

Hong-jo He thought of us very strangely, so...

Sin-yu He thought of us very strangely. So you wanted to look less strange.

That's why you sold me out.

"Spells don't make sense, but since he's sick, I just did it out of pity."

Something like that?

Hong-jo Isn't that a better way to protect your pride as well?

I'm in my right mind, but I believed in spells and chased her around because of one."

Rather than that, "I was sick, that's why." Isn't this better?

Sin-yu It wasn't because I was sick nor was it because I liked you.

It was neural coupling.

Hong-jo Neural, what?

Sin-yu Neural coupling.

A confusion in your brain.

I went to hospital this morning for this.

I heard about the curse in my family thousands of times since I was young.

Aeng-cho is a real person. I found the spell book. You made the love potion.

And I drank it.

The story sounded pretty believable, so my brain got fooled.

This happened to the both of us.

Hong-jo You called me out this early just to say that?

Sin-yu Yes.

I wanted to end this properly.

"Gosh, someone like Sin-yu followed me around."

In case you went around boasting that.

Hong-jo Why would I do that?

I'll only boast when I get a real boyfriend.

You're a fake. How ridiculous.

GROOT

What are you doing?

What's wrong?

왜 이래요?

It's not my name.

I want to see what you saved my number as.

Sin-yu What? Why did you save my number as this?

Hong-jo You said it yourself. You said You were Groot.

Sin-yu What about Jae-gyeong?

Hong-jo His name with a heart emoji. Happy?

Sin-yu Go away.

Hong-jo And my number? How did you save it?

Sin-yu It doesn't matter.

Crystal Did you hear what they said?

3Star That's not important.

#SCENE Green way Building Division Office

3Star You have a strange habit.

Hong-jo Sorry?

3Star You know. Gosh, how unbelievable.

Stop hitting on people.

Do you like misters?

Last time, it was Mr. Kwon. Now, it's Mr. Jang.

Crystal We were on the rooftop just now.

Hong-jo I didn't hit on him.

Crystal Then what?

Are you saying Mr. Jang hit on you?

3Star You hit on all the handsome guys.

Do it outside of the office. This is a workplace.

Why do you act like you're so desperate to date someone at work?

Hong-jo I--

Ma I'm against dating at work.
It's headache when you break up.

Gong I'm for it.
You can share your trouble at work and also gossip together together.

Ma You've been forever alone.
How can you give relationship advice?
I might not be single anymore.
I'm going on a blind date.

3Star Really?

Crystal Really?

3Star You're going on a blind date?

Gong She must've found me cool when I handled the rude complainant.
She's in the Tax Department.
Her name's Cha Seung-yeon.

Crystal Cha... I know her. She's very pretty. But why...

Gong She wanted a blind date with me. She begged my friend for it.

Ma Don't jump the gun.
That doesn't mean you'll date her for sure.
Get to work, everyone.
No more chitchatting.

#SCENE In the Park

Hong-jo Put this in the middle. Yes.
Thank you.
Gosh.
RAIN
Oh, no.

Others Run.
I didn't bring my umbrella today.

Hong-jo Thank you.

Jung-bum To decorate the photo wall with flowers.
I don't think it will stop soon.
Let's go over there.

Hong-jo Okay.
What are you doing?

Jung-bum You'll get wet from the rain.
See? You're already drenched.

Hong-jo Don't do this.
This is unnecessary physical contact.

Uram's GF Use this.

Hong-jo What about you, sir?

Uram's GF I can't work while holding an umbrella.
Take it.
It's for the sikhye.
Thank you.
Sir.
I don't feel comfortable with your kindness.

Jung-bum It's nice.

Hong-jo What is?

Jung-bum You're fine with the senior just now, but you find me uncomfortable.

#SCENE Sin-yu's Office

Na-yeon Hey, I'm here.

Should we go to Jeju Island this weekend together?

Who...

Gi-dong Why are you going to Jeju Island with Mr. Jang?

He has a fiancée and she is the mayor's daughter...

Are you the mayor's daughter?

Na-yeon No. Yes.

Gi-dong Oh, my gosh. I'm heartbroken.

Na-yeon What should I do?

#SCENE Hong-jo's house

Hong-jo [What are you doing?]

Jung-bum [This is for you.]

선물이에요.

Hong-jo If it's not the spell, why is he doing this to me?

Who is it?

Kwon [Sin-yu had called. He told you to lock your doors well and mentioned the garden owner.]

Hong-jo Why worry about me?

#SCENE In the luxury Restaurant.

Na-yeon You look very nice now.

I'll use this as my profile picture.

Sin-yu You know I don't like that.

Na-yeon Why? Let me show off my boyfriend. We're dating openly now.

Sin-yu Take photos of the view.

The night view's nicer than me.

Na-yeon It is pretty indeed.

#SCENE Hong-jo's house

Sin-yu [(On Kakaotalk) I didn't call to hear your voice.

I called to check whether you would answer or not.

Don't read my texts.

Don't reply either.

It'll distract me from work.

No. Not reading is more distracting.

I'm echoing to myself because you're not replying.

You'll regret it. I'm Jang Sin-yu.]

Hong-jo What are you up to?

Eun-wol You called the wrong number.

You didn't call me to talk to me.

Hong-jo No. I called you because I was curious.

Eun-wol This won't make you feel less lonely, you know.

Was it the Year of the Horse?

She loved the king, but she couldn't have him.

So she hit on another guy.

But he turned out to be a eunuch.

That's exactly what you're doing.

Hong-jo I will meet such a guy?

Eun-wol Who knows?

Let's see. Yes.

He's honest and strong.

He's beside you.

Hong-jo Can you really see all these things?

Then tell me more in detail.

Eun-wol Miss. I've got to hang up.

Hong-jo Don't fool me.

You're joking again, right?

Eun-wol I'm not.

I need to watch BTS, Bye.

#SCENE Greeway Building Division Office

Crystal Drink strong coffee and blow off steam, okay?

3Star How annoying.

Hong-jo Did something bad happen?

3Star You haven't heard the rumor yet.

The woan renovating the first floor.

They say she's dating Mr. Jang.

She's been working here only for a few days.

How so fast?

Crystal She's pretty, that's why.

You saw how she was dressed. She must be rich too.

3Star Right. Poor you, Hong-jo.

Your efforts went in vain.

Hong-jo I didn't put any effort.

3Star Yes, you did, to win Mr. Jang's heart.

Crystal Making a love confession to Mr. Kwon and hitting on Mr. Jang.

Hong-jo Not the latter.

3Star Right. That's what you think.

Crystal Darn it.

#SCENE GREEN LANDSCAPE GARDEN

Ma [One of the employees from my team came to discuss about terminating the contract with the maintenance vendor.

The owner personally sent her a flower basket,
waited until she finished work to ask her out for dinner,
and even made unpleasant physical contact today.]

Sin-yu I guess people do ask for those.

Jung-bum Aren't you the lawyer from City Hall?

Sin-yu You recognize me.

Jung-bum It's hard not to with how you look.

Are you here to buy flowers?

A pot, maybe?

Sin-yu I'm here to tell you something.

When you make unnecessary physical contact, you can be punished by law.

It is considered illegal, so we can file a lawsuit and seek damages.

Jung-bum Are you threatening me?

Sin-yu Did it sound like I was?

Jung-bum Did Hong-jo say that?

Sin-yu So it was Hong-jo.

Ms. Ma just told me it was one of the civil servants.

Jung-bum Well... It's really unfair for men.
Even when a finger brushes by, they say it's sexual harassment.
They make a fuss.

Sin-yu Whether it was a finger or two, if the other person feels uncomfortable,
it is considered sexual harassment or molestation.
If you want to continue to work with City Hall, keep that in mind.
I'll buy a flower since I'm here.
It looks like I'm the first customer today.
It wouldn't be nice to just leave.
But I don't want preserved flowers.

#SCENE Sin-yu's Office

Gi-dong What are those flowers?
You said you were going out for work.

Sin-yu I did.
I bought this along the way.

Gi-dong For your girlfriend?

Sin-yu No, for you.

Gi-dong It's my first time receiving flowers from a man.

Sin-yu You've never gotten one from a woman either.

Gi-dong It's a defamation... the mayor filed himself.
Have a look at it, and let's have lunch.
It's on me.

제가 쏘겠습니다.

#SCENE Cafeteria in Onju City Hall

Na-yeon Food is great here.

3Star She smiles too easily.

Crystal Her skin's flawless.

3Star Because she got skin treatments and plastic surgery, obviously.

Hong-jo She didn't get surgery.
We were in the same class in high school.

3Star What is this?
You hit on your friend's boyfriend then?

Hong-jo I said I didn't hit on him.

Others He was taken. He really has everything.
He's dating that woman.

Gi-dong I spread the news.

Sin-yu Gi-dong.

Gi-dong Don't scold me. I'll use a coupon.

Sin-yu Let's eat out.

Gi-dong I don't want to.
Stop distancing yourself and eat together.
Your girlfriend is over there too.

3Star They're wearing coats. Are they matching clothes?

Crystal They look good together.
A handsome man and a pretty woman.

#SCENE Photo wall, Outside of City Hall

Mayor Onju is practicing go-green.
To keep up with the eco-friendly trend, we decided to hold an eco-plogging event
for nature.

We'll walk and pick up trash.
You'll get gifts just from participating.
What will you get when you place first?
A Hanwoo beef set, guys.
This is how good I am.
Now, let the eco-plogging event commence. Let's go.

Kwon Hong-jo, you planned this event, right?

Hong-jo You knew that?

Kwon Yes.

I practiced since yesterday to win.

Hong-jo You can't win. Because I'm faster.

Gi-dong Doesn't Hong-jo look very pretty, especially today?

Did something happen?

Her skin's clearer too.

They look so cute together.

It would be perfect if they dated, right?

#SCENE Wook's Office

Sin-yu's mom You know. I'm sorry, but can you sell back what I sold to you last time at 2,000,000 won?

Wook It was 200,000 why should I sell it for two million?

I'll just give it to you.

Sin-yu's mom But that would be unfair.

Wook One minute, please.

There will be a meteor shower in a few days.

LET'S GO SEE STARS STARLIGHT FESTIVAL

Sin-yu's mom Did you buy this for me?

Wook Yes.

Actually, my dad runs an observatory.

#SCENE Goobne, the Chicken House

3Star One more sauce, please!

Owner Coming.

Hong-jo This chicken tastes amazing.

The smell of garlic's great.

Crystal Yes. Though your heart is breaking... chicken tastes so good, right?

But, Hong-jo, I feel bad for you.

Seeing your friend date a guy like him must make you feel so jealous.

Hong-jo Is that why you let me join you today?

Crystal Yes.

3Star Yes. That's a comfort drink.

위로주..

You feel jealous, right?

You can be honest with us. Mr. Jang is cool.

Guess what we call him.

Boo! Mr. Shocking.

We get shocked every time we see him.

Hong-jo, didn't your heart race when you saw him?

Sin-yu [It's... love.]

My heart didn't exactly race.

3Star Then why are you blushing?

Hong-jo Am I blushing again?

Crystal Yes.

Hong-jo Fair Skin Spell doesn't work at all.

3Star What?

Hong-jo Nothing.

Crystal Hong-jo, you're quite pretty too.

But every guy you hit on turns you down.

3Star Men don't only look at your face nowadays.

Crystal Is that so?

3Star Your family and background too.

Crystal That's why we don't have boyfriends.

That was it.

3Star We need to join forces in times like this.

Our biggest enemy is the woman on the first floor.

Drink. Drink and cheer up.

We will never fall.

Hong-jo Never fall!

Crystal Never fall!

#SCENE Front of Onju City Hall at night.

Crystal Seriously, look at me as an example and learn.

I'm saying this for your own good.

You're so clueless--

3Star Ms. Yoo. I'll get going. Goodbye, Hong-jo.

Hong-jo Okay. Well...

Crystal Take me with you.

3Star That'll take longer for me.

Crystal I'll pay you half.

3Star Who pays the bigger half?

Crystal Me.

3Star Okay, get in!

You're pretty cool.

My goodness.

Hong-jo Excuse me.

3Star Goodbye.

Hong-jo Have a safe trip back.

Crystal Think about what I said.

Hong-jo I need to call a cab too.

My phone's missing again.

I'm so drunk.

Sin-yu Hong-jo. Get up, Hong-jo.

Hong-jo Gosh, Mr. Shocking. This is your nickname.

You're the talk of the town.

My goodness.

Don't hold me.

You shouldn't.

You're not my man.

Congrats on revealing your relationship.

The whole of City Hall is going crazy over it.

Some say you're a match made in heaven.

Some are very jealous.

All the women in City Hall were heartbroken today.

You must be happy to be so popular.
Gosh, where is it?
Mr. Popular.
Can you call my phone?
I lost my phone.
I don't know if I left it in the restaurant or the office.
I'm sure I put it in here.
It's strange for it to leave me.
Where did it go?
Is nobody picking up?

Sin-yu I think it's ringing in there.

Hong-jo What? No way.
I checked just... Found it. There it was.
GROOT
You're not Groot anymore.
Get lost. Groot was my favorite.
I liked you so much.
Gosh, look at me.

Sin-yu What are you doing?

Hong-jo What about you?
How did you save my number?
What is it?
How did you save mine?
Give me that. You're busted.

Sin-yu Stop.

Hong-jo Gosh.
You're feeling guilty.

Sin-yu I said stop.

Hong-jo Darn it. Nice.
CIVIL SERVANT (HAUNTED HOUSE)
I don't have a name.
Hey.
Save my number under my name.
My dad had to think long and hard to think of this pretty name.
"Hong" for big and "jo" for morning.

Sin-yu Wasn't it "Hong" for red?

Hong-jo Is that even important?
Sin-yu. Don't live like that.

Sin-yu Get up. Hong-jo.

Hong-jo What is it?

Sin-yu I was worried.

Hong-jo Why would you worry about me?

Sin-yu Just Because.

You make me worry about you.

Hong-jo How absurd.
First, you said it was the spell.
Then you said it was neural coupling.
Now you don't have any other excuses, and why worry about me?
You shouldn't.
And don't do anything for me.
Nothing at all.

진짜 어이없어.

You make me confused.
Then again, you aren't doing anything now, too.
You don't call me anymore.

Sin-yu You told me not to.

Hong-jo You're so mean.

Sin-yu What makes me mean?

Hong-jo Everything. Everything!

나쁜 새끼

#SCENE Sin-yu's house in Seoul

Se-heon What's wrong?

No appetite?

Sin-yu No, I'm eating.

Se-heon Your wedding date's decided.

February 5th, it's Sunday.

Na-yeon agreed too.

Sin-yu So only I wasn't aware of it.

Sin-yu's mom You said you'd discuss it.

Se-heon Let's eat quickly and go play golf.

Sin-yu's mom Na-yeon, why did you book a golf course in this cold weather?

Na-yeon I got gifts for you, too.

Your golf clothes.

Sin-yu's mom Why did you buy them?

#SCENE Front of Hong-jo's house.

Hong-jo Do I look like gimbap?

Kwon Then I must be Chungmu gimbap.

My fellow gimbap, shall we go?

Hong-jo Sure.

#SCENE In shelter

Hong-jo Here.

Why won't he eat?

Is he sick?

Kwon He just got here today, so he doesn't have a name yet.

Hong-jo I see.

Kwon Why don't you name him, Hong-jo?

Hong-jo Bong-gil. Bong-gil, are you okay?

Bong-gil.

Kwon Yes. He said it's fine.

#SCENE Sin-yu's house in Seoul

Se-heon You're not... sick or anything, are you?

Sin-yu Why did you decide on the date without telling me?

Se-heon I decided and told you just now.

Na-yeon I'll clean this up.

Se-heon Are you done yet?

You're taking so long.

Sin-yu's mom I'll just wear this.

Na-yeon I'm sorry... but I can't join you today.

#SCENE In shelter

Kwon What do you call it when a dog had a hard day?
Hong-jo A ruff day.
Kwon How did you know?
Hong-jo You're a really good cook at least. This gimbap tastes amazing.
Kwon You said "at least," not "also."
Hong-jo It'd be unfair if you were funny too.
Kwon What do you think I have?
Hong-jo You make people feel comfortable.
Kwon I don't want to make you feel comfortable.
I don't want you to feel comfortable around me.
I want to give you butterflies.
I'm disappointed.
You're not blushing.

#SCENE Outside of Sin-yu's house in Seoul

Sin-yu You said you had something urgent.
Na-yeon This is what's urgent.
Sin-yu Who sent you these pictures?
Na-yeon Is that even important?
Why you did this is what matters, not who sent the pictures.
What is going on?
What is this?
What were you doing with Hong-jo?

#SCENE Hong-jo's House

Kwon
[I don't want you to feel comfortable around me. I want to give you butterflies.]
Hong-jo What is this?
I should blush when I hear something like that.
Did the spell really work?
Did I become a fair-skinnned beauty?

YOON NA-YEON (On Phone)

Hong-jo Why is she calling me at this hour?
What is it?
What is this about?
What brings you to my house?
Na-yeon Acting all kind and innocent, you've been playing dirty behind my back.
Hong-jo Shouldn't you explain first?
Why should I get slapped by you?
Na-yeon Why did Sin-yu come to your house?
Did you have fun behind my back?
You held hands, hugged, and kissed. You did all sorts of things.
Hong-jo It's not what you think.
I don't know what he said, but--
Na-yeon What?
Are you saying you didn't hit on him too?
It was the same back in high school.
How can you get involved with every man I date?
It's impossible unless you hit on them intentionally.
Hong-jo There was a reason.

왜?
무슨 일이야?

We have nothing going on.

Na-yeon Hey. You talk as if you let me have him.
Don't get the wrong idea.
It's not that there's nothing going on.
You're nothing.

Hong-jo Sin-yu, where are you?

Na-yeon Where are you?

Hyeon-seo What is it?
Did something piss you off?

Na-yeon It's Sin-yu.

Hyeon-seo So why do you want to marry him?

Na-yeon Shut up.

Hyeon-seo Should I?

#SCENE Front of Sin-yu's officetel Building.

Sin-yu It must be something urgent. We could've met tomorrow.

Hong-jo I'm here to return the dress and the wooden box.
Take them all.

Sin-yu Why, all of a sudden?
This is what couples that break up do.

Hong-jo I don't want anything from you. Not a single thing.
So annoying.

Sin-yu If they're so annoying, you should've just thrown them away.
Why bother coming all the way to me?
Is that an excuse to see me?

Hong-jo Your girlfriend slapped me.
She said I hit on you.
She said we held hands, hugged, and kissed.
Just what did you tell her?
Why must I get slapped by her?
What the hell did you tell her?

Sin-yu That I'm being swayed.

Hong-jo You must be insane.
You weren't really swayed.
You should've explained that it was the spell or neural coupling.
You gave me so many excuses.
Why didn't you tell Na-yeon any of those?

Sin-yu Because it's true.
You swayed me and are still swaying me.
But I'm not going to take any action.
I won't take a single step towards you.

Hong-jo Asshole.

Sin-yu What do you want from me?
You want me to be honest? Fine.

DESTINED WITH YOU

Episode 8 preview

Hong-jo Are you playing with me?

Sin-yu Can you say you never wavered when you saw me?

너무 짜증나

Na-yeon Just end it all. Whatever the feelings were.

Sin-yu There were no spells.

Hong-jo Who sent you those pictures and why?

Sin-yu Seems like a stalker.

It's a crime to take and spread others' photos.

PRIVATE PROPERTY DO NOT ENTER

풍산장씨 은휘공파

Hong-jo Did you hear that just now?

What is it?
