Hong-jo Are we having the same dream?

Sin-yu Are you feeling less cold?

Hong-jo I feel better after soaking in the bath.

Sin-yu Did you really trip and fall?

Hong-jo Yes.
I got distracted while taking pictures and I didn't watch my step.

Sin-yu Don't go and deal with complaints on your own.
Don't work outdoors for a while.

Hong-jo Then how will I get my salary?

Hyeon-seo Don't worry.
I was very shocked earlier, but I'm perfectly fine now.

I'm not that hurt.

Sin-yu To me, you're hurt a lot.

Hyeon-seo I now understand what you said.

Sin-yu What did I say?

Hyeon-seo You said you saw me in your dreams.

I saw you too.

What did you see?

Hyeon-seo You were crushing on me and chasing me around even then.

Sin-yu

It's probably a form of avoidance your brain developed in a very anxious situation.

Hyeon-seo Is that so?

그런가?

Anyway, it was so vivid that it almost felt real.

I even had this thought for a while.

Just like what Eun-wol said, our destinies must be insurmountable.

Sin-yu You can tell that even without dreaming.

Hong-jo Still, I want to know about the dream you had.

If we really had the same dream, that's fascinating, right?

What?

Sin-yu Let me do this until you fall asleep.

Hong-jo I'm really fine.

Sin-yu You don't have to act strong in front of me.

Hong-jo Actually... I was very scared.

Sin-yu I was scared too, actually from the moment you didn't pick up.

I was worried something bad happened to you.

Hong-jo It is nice to have someone who always worries about me.

Gong Everyone read this news about human bones being found, right?

I was there at the site.

My heart was about to burst out.

3Star Exactly.

I walked there every night unaware of the buried body.

The thought gives me chills.

Ma This gives me more chills.

"The body was skeletonized except for the hands,

as if they were left to help us identify the body and catch the culprit."

Gong And I saw this myself at the site I got chill all over.

I couldn't sleep a wink at night.

This is why you shouldn't live alone.

Crystal I hope the murderer is caught soon.

I'm so scared to get off work.

Hong-jo Me too.

3Star Shouldn't you be relieved?

A bigger issue covered your scandal.

Gong That's not important now.

Gather around.

Mr. Jang suspects Mr. Na of Green Landscape Garden.

Crystal, 3Star What?

Gong Listen. His wife had been missing for five years, and the park was built five years ago. And Mr. Na took part in that construction.

Everything falls into place.

It is reasonable to have suspicions about it.

Crystal I'm so glad we removed him from our partners and cut ties with him.

Gong Exactly.

Ma You're being too rash.

We don't know yet if the remains are his wife's.

Since it still has fingerprints, they will identify the body soon.

We can cut ties after that.

Now, get to work.

Hong-jo Ms. Ma.

I'll go out to fill in the pit on Mount Onju.

Ma Be careful.

The New Year has just started, and it's restless already.

Gong How did it go yesterday?

Mr. Jang was very worried.

Hong-jo Yes.

Sin-yu I don't know what she told you, but you said it didn't matter.

Hong-jo The bloody hand.
Did you know... that it was me?
(The past, In Choseon Age)

Whoever kills me... would be cursed.
