**Mu-jin** Let's run away.  
It doesn't matter where.  
Anywhere's fine.  
If... there is a next life...  
let us... be happy.

**Hong-jo** I feel strange.  
Somehow,  
it feels like I've been caring about you for a very long time.

어쩐지

**Sin-yu** In this life... and in the past life... I love you.

**Detective1** Na Jung-beom, stop!

**Jung-beom** Let me go!

**Detective1** Na Jung-beom, you're under arrest.  
You have the right to remain...

**Sin-yu** Hong-jo.  
Hong-jo.  
Hong-jo.  
Hong-jo, open your eyes.  
Hong-jo, open your eyes.  
Hong-jo, wake up.  
Hong-jo.  
Hong-jo.  
Hong-jo, wake up.  
Oh, my gosh. Hong-jo.  
Wake up.  
Wake up.

**#SCENE** ER(Emergency Room)

**Doctor** When was she poisoned?

**Paramedic** About 40 minutes ago.

**Doctor** Make way!  
Make way!  
Make way!

**Nurse** Sir, you can't go in.

**Sin-yu** No.

**Nurse** Sir.

I must go.

**Nurse** Please leave

**#SCENE** A criminal investigation office

**Detective2** Okay.

Let's start over  
Sam-sik confessed that he provided a fake alibi for you five years ago.  
Why did you kill your wife?

**Jung-beom** That bitch kept smiling at some other guy.

**Detective2** Is it the same reason for Hong-jo?  
Did you get angry because she dated another guy?

**Jung-beom** Damn it.  
I was going to do a soul marriage.  
Did she die?  
Did she die?

**#SCENE** ER(Emergency Room)

**Nurse** Lee Hong-jo's guardian?

**Sin-yu** Yes.

**Nurse** Please come in.

**#SCENE** Hong-jo's ward

**Yun-ju** That freak who stabbed Sin-yu tried to kill you as well?  
He's caught, right?  
That freak must be punished.

**Se-heon** Watch your language.

**Yun-ju** I would say worse things, but I shouldn't waste my energy on him.  
So, my dear Hong-jo, are you okay now?

**Hong-jo** Yes.  
I felt a bit nauseous, but I got better after an IV.

**Yun-ju** Get well soon and go on a date with Sin-yu.  
Since that freak is caught, you can relax and go on dates.

**Se-heon** Honey. I didn't approve of it yet.

**Yun-ju** She's lying down in the hospital and how can you say such a harsh thing?

**Se-heon** I'm here out of sympathy, not to allow their relationship.  
I haven't warmed up to her yet.  
Frankly speaking, your life is too eventful.  
I want Sin-yu to meet a girl born and raised in a peaceful environment,  
date her without any trouble, and get married without any trouble.

**Sin-yu** Father.

**Hong-jo** I promise.  
I won't let anything happen from now on.  
It's true that I wasn't born and raised in a peaceful environment,

but I'm sure I'm the person who loves him the most in the world besides you two.  
So, can you see me in a good light?

그러니까

**Se-heon** I'm... sorry to say this when you're going through this--

**Sin-yu** I have something to tell you.

**Se-heon** Nothing can change my mind.  
It's obvious what you'll say.

**Sin-yu** Didn't Eun-wol call you?

**Se-heon** What call?

**Sin-yu** It's a girl.

**Se-heon** What?

**Hong-jo** Was that the strange thing that Eun-wol said?

**Sin-yu** Yes.

She had a conception dream where she picked a peach.

**Yun-ju** Am I really becoming a grandmother now?

You've always nagged him to knock a girl up before getting married.

Your wish came true.

**Se-heon** I said that so he would get married early.

I didn't actually mean that.

Why did you guys have to rush it?

You guys are strange.

After dating a strange girl, even Sin-yu became strange.

He wasn't like this before. What will you do?

What are you going to do about him?

**Hong-jo** I'll take full responsibility.

**Sin-yu** Of course you should.

**Se-heon** What the...

That's not what I meant.

**#SCENE** Sin-yu's officetel.

**Sin-yu** You should eat.

**Hong-jo** I don't want to get up.

**Sin-yu** You didn't eat anything today.

A kiss is for dessert.

You can get it only after you eat.

**Hong-jo** It smells so great.

**Sin-yu** Struggling with the octopus, I thought,

"The power of love is incredible."

"There's nothing I can't do for someone I love."

And this food is the result of that epiphany.

Chicken stew with fresh octopus, the stamina booster, wild pine mushroom, abalone, and wild ginseng.

**Hong-jo** You added wild pine mushroom and wild ginseng?

**Sin-yu** I put in everything that's good.

**Hong-jo** It's delicious.

**Sin-yu** I've just never tried it before, but there's nothing I can't do.

What kind of man am I?

**Hong-jo** You used all the good ingredients.

Of course it tastes good.

**Sin-yu** Good ingredients don't guarantee that.

You've tried my mom's food.

Cooking is a talent too.

**Hong-jo** If you take on Bawwo's lawsuit,  
does it mean you can't work in City hall?

**Sin-yu** Yes.

I can't do it if I'm contract as City Hall's lawyer.

**Hong-jo** Does it mean we can't see each other every day like this?

**Sin-yu** If you stay here, we can.

**Hong-jo** How can I do that?

**Sin-yu** What do you mean how? I won't let you go.

**Hong-jo** Not until your father approves.

**Sin-yu** I'll get Father's permission.

Eat first.

I want to do so many things with you,

but not in that condition.

**Hong-jo** What is it that you want to do?  
You said a kiss was for dessert.

**Sin-yu** You did have a bite.

**#SCENE** Ma's house

**Ma** What brings you here?

**Gong** I forgot something when I packed.

**Ma** What is it?

**Gong** Can I come in and look for it?

**Ma** Be quick.

**Gong** By the way,  
was my proposal that horrible?

**Ma** I've never felt more embarrassed in my life before.  
Gong, I can't go to City Hall because of you  
Find it quickly and go.  
What did you leave behind?

**Gong** My love for you.

**Ma** Hey!  
Hey!

**#SCENE** Outside of Onju City Hall

**U-ram** You shouldn't push a kid so hard.

**Sin-yu** It's a dog-eat-dog world, kiddo.

**U-ram** Do it again.

**Sin-yu** The result will be the same though.

**U-ram** I can beat you.

**Sam-sik**

When I created his alibi five years ago, I didn't know he was such a terrible man.  
I really thought she cheated on him and left the house.  
After the corpse was found in the park, I considered turning myself in.  
But I couldn't leave U-ram alone.  
I'm so sorry, Ms. Lee.  
It's all my fault.

**Hong-jo** You were threatened by him as well.  
You told me everything before it happened.  
Moreover, if I hadn't been the bait,  
he would've come back to kill me anytime.  
He's caught. That's what matters.

**Sam-sik** If I end up in jail, U-ram will need to go to a shelter.

**U-ram** Let's go.

**Sin-yu** U-ram.  
I gave you a good life lesson.  
You little devil.

**#SCENE** Greenway building division office.

**Hong-jo** (voice) You were pretty bad too.  
You pestered your father to change the development business.

**Ma** Mayor's daughter made the mayor change that big development business?

**3Star** And she was a bully in high school.

**Crystal** Gosh. Look at her throwing wine on her.

승부의 세계는 냉정

Isn't that Hong-jo?

Poor her.

**3Star** I hope karma is coming for these guys.

These scums.

I would've chewed them into pieces.

You know I have a lot of teeth, right?

I know.

You're here.

**Hong-jo** What's going on?

**Ma** Hong-jo, you went through a lot.

**Hong-jo** Sorry?

**3Star** Lunch is on me today.

What do you want to eat?

인과응보를 당해봐

**#SCENE** Rooftop on the Onju City Hall.

**Hong-jo** (voice) You were pretty bad too.

You pestered your father to change the development business  
just like how you avoided punishment in high school.

You really never change.

JI MIN-HO

This is Hong-jo.

You're the one who posted the video, right?

**Min-ho** Yes.

**Video** (video...)... just like how you avoided punishment in high school.

You really never change.

**Min-ho** I thought that was all I can do to apologize to you.

**Hong-jo** It would've been better if you had revealed it in high school.

I won't thank you.

Take care.

**#SCENE** In mayor's room

RESIGNATION LETTER

**Mayor** No. You can't resign.

**Sin-yu** You pressured me to resign until recently.

**Mayor** You'll clearly go against us after you resign.

I won't let it happen!

**Sin-yu** Article Seven of Labor Standards Act.

"Forced labor is abolished."

It's fine by law if I stop coming to working starting tomorrow.

But I'll give you one month to find my replacement.

As a courtesy.

**Mayor** Hey, stop there!

**Sin-yu** I don't think you have time to be worked up about me.

You have your daughter's issue.

**Mayor** What?

**#SCENE** Na-yeon's car

FATHER

DECLINE

**#SCENE** In a restaurant.

**Na-yeon** You changed the door password.  
**Hyeon-seo** I got rid of the place.  
Didn't tell you?  
**Na-yeon** Why?  
**Hyeon-seo** I didn't think I would need to meet you there anymore.  
**Na-yeon** That's true.  
We don't need to meet secretly anymore.  
Both you and I are single.  
Come to think of it,  
I think I click better with than Sin-yu.  
**Hyeon-seo** True, we clicked both day and night.  
How about marriage?  
Na-yeon.  
I was interested in you because you were Sin-yu's.  
But you were dumped by him, right?  
And I'm considered a leader in our society in a way,  
so getting married to a former bully wouldn't look good.  
Goodness, you haven't seen it yet.  
You better check it quickly.

생각해보니까

**#SCENE** Na-yeon's car  
JI MIN-HO.  
**Voice** The person you have called is not answering. After the tone...  
**Na-yeon** What an asshole!  
FATHER  
**Na-yeon** Stop calling me! I know it too!  
I'm going crazy too!

**#SCENE** Outside of Onju City Hall  
**Hong-jo** I need to go home today.  
I need to do the laundry and clean the house.  
**Sin-yu** What should I do?  
I can't sleep alone now.  
**Hong-jo** Then come to my place once you're done with your work.  
**Sin-yu** Okay.  
How do I wait until then?  
I miss you whenever I blink.  
**Hong-jo** One, two, three...  
Nine, ten, eleven...  
Look outside the window.  
**Sin-yu** Outside the window?  
I love you.  
**Hong-jo** Me too.

**#SCENE** Sin-yu's office  
**Kwon** Stop now.  
Working overtime before quitting?  
**Sin-yu** There's a lot to do before I resign.  
Don't mind me. I'm taking care of it.  
**Kwon** I have something to do as well.  
I I get sued, you might become my lawyer.

**#SCENE** In front of Hong-jo's house.

**Na-yeon** It was you, right?

You made Min-ho post it.

You guys went there on purpose to rile me up and took the video to take revenge on me the same way.

**Hong-jo** I did want to take revenge the same way.

But I couldn't.

And Min-ho did it for me.

It was so satisfying.

**Na-yeon** Why do you always have to get in my way?

**Hong-jo** I never got in your way. You made things worse for yourself.

**Na-yeon** You took away my boyfriend.

**Hong-jo** Believe it or not,

but we were destined to be. We were destined to meet.

**Na-yeon** That's bullshit.

**Hong-jo** Sin-yu's calling.

Do you want to leave now or listen to how lovely-dovey we are?

**Na-yeon** You bitch...

**Hong-jo** Do you want another video?

There's a CCTV here.

I told you.

Someone like you can never understand.

**Na-yeon** This is not fair.

Why must I lose what's mine to someone who's a nobody like you?

**Detective1** Yoon Na-yeon.

We're from Violent Crime Squad.

You're under arrest for aiding and abetting Na's escape.

You have the right to remain silent and the right to an attorney.

Everything you say from now can be held against you in court.

**Hong-jo** Was it you who helped Na Jung-beom?

**Na-yeon** No. I didn't know anything,

I really didn't know anything.

**Detective1** Let's go.

**Na-yeon** I don't know--

**Detective1** You can explain at the station.

**Na-yeon** I didn't know--

I didn't know anything!

**#SCENE** Outside of Court.

**Press** Did you give him five billion won?

**Anchor** This morning, the prosecution indicted Mayor Yoon of Onju City Hall and Lee, the CEO of Haum Construction regarding Mount Onju's development business.

**#SCENE** In Court.

**Sin-yu** How much did you get in return for charging the ownership of Jang's land that received and giving it to Haum?

**Kwon** I received 300 million won.

But I reported to the Audit Team and sent them the money.

**Sin-yu** Why did you side with the mayor, then suddenly change your mind?

**Kwon** I never changed my mind.  
I never wanted to join them to begin with.

**Sin-yu** Then why did you accept the money?

**Kwon** If I hadn't, I won't have been able to blow the whistle.

**Sin-yu** So were you planning this from the start?

**Kwon** "If they abide by the law, that's good."  
"If they don't, I won't sit back."  
That was what I thought.

**Sin-yu** Your Honor,  
The tenth evidence.  
If you check the recording of the conversation between Kwon and Lee  
and check his actions before and after the crime,  
you can clearly see that the defendant is speaking the truth.

Therefore, defendant kwon is not guilty of bribery nor did he request for one.

피고인 권

**#SCENE** The cafeteria in Onju City Hall.

**Ma** I told him not to come to the cafeteria.

**Crystal** Are you not eating together because you fought after the proposal?

**3Star** How did he injure his arm?

**Crystal** I know.

He got drunk and tripped on his foot.

**3Star** Poor Mr. Gong.

He proposed publicly, got dumped publicly, and even got hurt.

**Crystal** He's so embarrassed that he requested a transfer to a district office.

**Ma** Go ahead and eat by yourselves.

**Gong** Darn it.

I didn't want to come here either.

I had no choice because of the injury.

**Ma** Just eat the rice and soup.

Why did you bring perilla leaves to torture yourself?

**Gong** I go crazy over perilla leaves.

**Ma** Go ahead, eat the perilla leaves.

**Gong** Helping me pick up the perilla leaves means we should get married.

**Ma** Stop your nonsense and eat.

**#SCENE** In Subway shop

**Kwon** I'm moving out.

I'm going to go to the Blue House.

**Hong-jo** Are you going into politics?

**Kwon** I was sued for whistleblowing, but I was released thanks to Sin-yu.

And now so many politicians want to recruit me.

Actually, I thought of staying if he gave me more money, but it was too little.

**Hong-jo** How much would've been enough not to whistleblow?

**Kwon** Free sandwiches for a lifetime?

**Hong-jo** Come on.

**Kwon** I mean it. It's delicious.

**Hong-jo** Then what happens to Mount Onju's development now?

**Kwon** It went back to being Sin-yu's so he'll take care of it.

**Hong-jo** You look cool, do you know that?

설마  
진짜예요.

Not everyone can whistleblow.

**Kwon** Not just cool.

I must look very cool.

**#SCENE** Goobne Chicken Shop.

**3Star** Can I order one more?

**Ma** Go ahead.

**3Star** Okay.

**Ma** This place's chicken is so good every time we come.

**3Star** Chicken's always good.

Stop getting sidetracked.

Mr. Gong's proposal.

Will you accept it?

**Ma** City Hall is turned upside down.

Mayor is about to be arrested.

It's not a good time.

**Gong** What has the mayor getting arrested to do with our marriage?

**3Star** Exactly.

**Ma** Marriage is a form of arrest too.

Getting arrested once was enough.

I don't want to be arrested twice.

Let's just live together. How many times must I say this?

**Gong** Ma.

What we're doing is a beautiful form of arrest.

It's so beautiful that there's even a song about it.

**Crystal** You must hurry to get married this year.

My friend told me it's so hard to book a wedding venue.

**Hong-jo** That's right.

**3Star** Yes

**Ma** Don't worry about that.

I'm the manager of Greenway Building Division.

**Hong-jo** Are you going to get married in a park?

**Ma** I'm not getting married.

**#SCENE** WEDDING DAY GONG SEO-GU AND MA EUN-YEONG

**3Star** Smile naturally!

**Gi-dong** Bride and groom, bow to the guests.

**Ma** Mic test.

Hello.

"I, Ma Eun-yeong, take Gong Seo-gu as my husband as of today."

"Other say they will live happily until their black hair turns white,

but our hair's already white if we don't dye it,

so we'll live happily until we lose our white hair and become bald."

**Gong** Hello.

"I, Gong Seo-gu, am Ma Eun-yeong's husband as of today."

Today is the happiest day of my life.

I'll become happier every day, so I'll make Eun-yeong happy every day too.

I love you, Eun-yeong!

**Gi-dong** Next is the song of congratulatoin.

**3Star** Hello. We are Onju's Three Star...

**Crystal** Crystal!

염색하지 않으면

**3Star** The song we'll be singing today is called "It's Real."  
 When you hear "it's real," if you're here alone,  
**Crystal** make a heart on your head.  
**3Star** If you're here with someone...  
**Crystal** Heart  
**3Star** Make a heart together.  
 Then we'll start singing "It's Real."  
**Crystal** We'll start!  
**2Girl** Real, real, real, real, it's real  
 Heart!  
 It's real  
 Heart!  
 The real thing has appeared now  
 Real, real, real, real, it's real  
 Heart!  
 It's real  
 I'm going to make real love  
**Gi-dong** Now's the time to throw the bouquet.  
 Who will catch it?  
**Hong-jo** Me.  
  
**Gi-dong** Bride and groom, march.  
  
**#SCENE** Under cherry blossoms trees.  
**Hong-jo** Mr. Kwon is moving out.  
**Sin-yu** I know, But under these pretty cherry blossoms, do you have to talk about Jae-  
 gyeong?  
**Hong-jo** Are you jealous?  
**Sin-yu** I'll be jealous of every man that you see and speak of.  
  
 Idol singers, actors, the guy downstairs, the guy next door, and City hall employees.  
 Everyone except me.  
**Hong-jo** I like you being jealous.  
**Sin-yu** I'm not joking.  
**Hong-jo** The person moving in downstairs is very important to me.  
**Sin-yu** As long as it's not a single man.  
**Hong-jo** I don't want that either.  
 I hope the landlady moves back in.  
 Right, what did your doctor say?  
**Sin-yu** I got better.  
 Completely healed like a miracle.  
**Hong-jo** Really?  
**Sin-yu** Of course. The curse ended.  
**Hong-jo** Others wouldn't believe us, right?  
**Sin-yu** Someone might, like we did.  
**Hong-jo** Wait here for a while.  
**Sin-yu** Why? Where are you going?  
**Hong-jo** Let's go.  
**Sin-yu** Wait.  
 There are two of us.  
 Why is there one cotton candy?

**#SCENE** Sin-yu's lawyer Office

**Wook** You've changed a lot after dating a decent girl.

**Sin-yu** Aren't you the one who changed a lot?

Your skin got better.

You were always exhausted and had huge eye bags.

**Wook** Can you tell? I spent a lot on dermatology.

I'm going to quit this law firm soon.

**Sin-yu** Where will you go?

**Wook** A filming site.

I'll be filming the same drama as your mother.

You only live once.

True happiness is doing what you truly want.

**#SCENE** A filming site.

**Wook** It's so nice.

**Yun-ju** I'm a lawyer.

If you were treated unfairly, I'll defend you.

You can tell me.

**Director** Cut!

**Assi Director** Moving On.

**Director** Great!

That was great!

Both of you did great.

**Wook** Thank you.

**Director** Good job.

**Yun-ju** I'm so nervous.

I need sugar.

**Director** Fan of yours sent a coffee truck.

You should go get some snacks.

**Yun-ju** A fan of mine?

YOU CANNOT STOP THE LOVE!

**Yun-ju** I wonder who sent this?

It can't be...

Is it you?

**Wook** It wasn't me?

**Yun-ju** Then is it Sin-yu?

Nobody else would send me something like this.

**Se-heon** It's me.

**Yun-ju** What brings you here?

어쩐일이야?

**Se-heon** Well...

I wanted to support you, but I had no other way.

What else besides money do I have?

I'm going to be in charge of this drama's coffee truck from now on.

**Wook** Unbelievable.

**#SCENE** a criminal investigation office

**Detective2** You know this is a serious crime, right?

Because you gave him the fake alibi back then,

he was removed from the prime suspects list.

You caused confusion in the investigation and made us miss the criminal.

Do you know how serious of a crime that is?

**Sam-sik** I'm sorry.

He begged crying his eyes out.

**Detective2** This time as well, you pretty much helped Jung-beom abduct Hong-jo.

Hong-jo go hurt because of that.

Strictly speaking, you are an accomplice.

Accomplice for confinement.

(Knock, knock)

Come in.

**Sam-sik** Mr. Jang.

**Sin-yu** I will join in as Oh Sam-sik's lawyer.

**Sam-sik** Mr. Jang.

**#SCENE** In front of Hong-jo's house

**Kwon** Don't worry too much about who might move in.

Even when I moved in the owner was very strict.

**Hong-jo** Thank you for whistleblowing.

I'm sure it helped Sin-yu a lot.

**Kwon** I didn't do it for Sin-yu.

I did it for myself.

I was looking at the big picture.

"When should I use the Ace of Swords card?"

**Hong-jo** You're an ambitious person.

**Kwon** Did Sin-yu propose to you?

**Hong-jo** No, not yet.

**Kwon**

You'll live alone if you don't get married in six months after getting the bouquet.

If Sin-yu doesn't propose within six months, give me a call.

I regretted every time I saw you.

Why didn't I accept your confession back then?

They say love is about timing.

I guess they're right.

**Hong-jo** Love is the collaboration of timing and destiny.

**Kwon** Do you still believe in the past life and spells?

**Hong-jo** No.

I don't believe in them. I just know them.

**Kwon** You're cool.

I envy you too.

**Hong-jo** The collaboration of timing and destiny will come to you too, Mr. Kwon.

**Kwon** You promised not to call me Mr. Kwon.

**Hong-jo** Right. To you too, Jae-gyeong.

**Worker** We'll get going.

**Kwon** Okay.

I'll get going.

**Hong-jo** All right. Have a safe trip.

**#SCENE** Greenway Building Division Office

**Ma** It's raspberry juice.

**Gong** Are you sure you can handle me after I drink this?

**Ma** My friend keeps sending them because she runs a farm.

**3Star** Can we try some of that raspberry juice?

We'd like to have some too.

**Crystal** Yes, We'd love some.

**Others** I'd like some.

Me too.

**Ma** Why would you want to drink this?

**Gong** What do you need it for?

**3Star** You guys must have a use for it?

**Crystal** Guys, Let's go grab coffee.

**Hong-jo** Okay.

**3Star** Okay.

**Hong-jo** I chose the date for my housewarming party.

**Crystal** You haven't even moved.

**Hong-jo** You wanted to have one again last time.

**Crystal** That was when Mr. Kwon was there.

He's moved out now.

**Hong-jo** I knew it. You wanted to have one because of Mr. Kwon, not because of me.

**3Star** Let's see who moves in and then decide.

I hope a cool guy moves in again.

**Crystal** It's hard for a single man to move into a house like that.

It definitely will be a family of four.

**Hong-jo** Even if it's a family of four, let's have a housewarming party.

I want to get close with you guys. Please?

**Crystal** I still do get jealous when I look at you, but you're too cute.

Fine, let's do it.

**3Star** Under one condition.

Invite Mr. Jang's friends and make it a triple date.

How does it sound?

**Hong-jo** Okay.

**3Star** Fine then. You'll choose the time, right?

But I want the guys to be taller than 180 cm and look slightly more mature than I am.

**#SCENE** Hong-jo's house.

MY BELOVED GROOT

**Voice** The number you have dialed cannot be reached. Please leave...

**Hong-jo** Why hasn't he been picking up the whole day?

(on kakaotalk) What's going on?

I'm worried, so call me when you read the text.

Don't be obsessed with him.

He has his privacy too.

Let's clean up.

What privacy?

He must report everything 24/7.

MY BELOVED GROOT

Where are you?

Do you know how worried I was?

**Sin-yu** Come down to the first floor.

**Hong-jo** You should've called beforehand.

**#SCENE** In front of Hong-jo's house.

**Hong-jo** I know who you are.

집착하면..

You didn't even answer my calls.

**Sin-yu** I wanted to surprise you.

**Hong-jo** Surprise me with what? Your face?

**Sin-yu** That would be boring, so I prepared something else.

I moved to a new place.

**Hong-jo** Did you move to Seoul?

**Sin-yu** I told you to come down to the first floor, not to come outside.

**#SCENE** 1F, Sin-yu's house

**Hong-jo** You really moved in.

**Sin-yu** I've always wanted to be the guy living downstairs from you.

Now you're the girl upstairs from me.

I bought this house.

I couldn't wait to live with you.

**Hong-jo** You sure are rich.

You spend money like it grows on trees.

You feel distant.

**Sin-yu** So do you not like it?

**Hong-jo** No. I'm excited.

You used your money so wisely.

**Sin-yu** You shouldn't do this.

I didn't even get to unpack.

I haven't put on the mattress cover yet.

**Hong-jo** You called me to make me work.

**Sin-yu** It's hard to do this on my own.

**Hong-jo** You didn't call me for that.

**Sin-yu** That's not it.

I really called you for this.

Put on the mattress cover.

**Hong-jo** You didn't call me for that.

**Sin-yu** Put on the mattress cover.

이러면 곤란한데

**#SCENE** In front of Sin-yu and Hong-jo's house.

**Se-heon** Slowly.

**Yun-ju** Be careful.

Watch out.

**Eun-wol** You don't need to do this.

Don't be so dramatic.

**Hong-jo** Hello.

**Sin-yu** Welcome.

**#SCENE** 1F, Sin-yu's house

**Sin-yu** Try it.

It's the first decent dish that we've ever cooked together.

**Hong-jo** We went grocery shopping in the morning and cooked with care.

정성껏

**Eun-wol** It sure is full of care.

Did it taste good to you guys?

Did you not taste it while cooking?

**Sin-yu** It tasted fine to us.

**Se-heon** Why?

It seems fine.

**Yun-ju** Exactly.

**Hong-jo** It's okay, it tastes good to us.

**Sin-yu** Yes, I think so too.

**Eun-wol** You're a match made in heaven down to your taste.  
Speaking of which, I checked your wedding date--

**Hong-jo** Eun-wol.  
I'm not ready yet.

**Se-heon** You don't need to prepare anything.  
It's just living together.  
Well, actually, you're already living together.

**Sin-yu** Father, I'm not ready yet either.

**Eun-wol** You don't have time for this, you already have a girl.  
Your belly will burge soon.

**Sin-yu** I don't believe in you.  
You said something strage last time and made us grow apart.  
And about what you called for the other day, that wasn't about us.

**Eun-wol** It has to be.

**Yun-ju** Well...  
Actually, it's me.  
A late child.

**Se-heon** Well, the conception dream was about us.  
A daughter.

**Hong-jo** Sin-yu's sister will be so pretty.  
Congratulations, Mother and Father.

**Sin-yu** See, Eun-wol?  
You were wrong again.  
Eat up, everyone.

**#SCENE** On the beach.

**Sin-yu** I love you.

**Hong-jo** I love you more.  
I've loved you for more than 300 years.

**Sin-yu** Well...  
There was something I've wanted to say since 300 years ago.  
Father.  
Can I take her with me?  
Let us... get married.

**#SCENE** Shrine place in Mount Onju.

**Hong-jo** Sin-yu, there's really nothing you can't do.  
You're good at shoveling.

**Sin-yu** Are you teasing me?  
We should bury this, right?

**Hong-jo** Thanks to the wooden box, I got to meet you again,  
so I want to keep it forever.  
But we achieved everything that we wanted.

**Sin-yu** Thank you.

**Hong-jo** Thank you.
