	NA-YEON	
Sin-yu	Hello?	
Waitor	She waited a long time.	
Sin-yu	I'll leave her be until she wakes up.	
Na-yeon	I won't wake up. I died 30 minutes ago. Your loved one has died. How can you be so calm?	
Sin-yu	Ouch.	
Na-yeon	It's too late. I told you to hurry. You dawdled, right? You don't love me anymore?	
Sin-yu	I had a car accident. I sent the car to a repair shop and took a cab here. That's why I'm late.	
Na-yeon	Why did you come here then? Go to the hospital.	
Sin-yu	You were dying to see me. I had to save you.	
Na-yeon	Are you crazy? Let's go to the hospital.	
Sin-yu	It was nothing.	
Na-yeon	How is it nothing? It was a car crash. You could get health issues later. Then you'll say your bac hurts so you can't go for for the honeymoon. I hate stuff like that.	
Sin-yu	That won't happen. Na-yeon.	
Na-yeon	I knew something was going on. When you decided to quit your job and moved to Onju on your own. Dad said you came to help him and felt so proud. But that's not why, right? Mt friend's getting married soon. She asked me to catch the bouquet. That's whay I had drinks. And we had so much fun talking about who's catch my bouquet. Why today of all days?	
Sin-yu	I have a question. Are we breaking up?	
Na-yeon	Then what is this? Why do you need time? For What?	
Sin-yu	There is something I need to figure out.	
Na-yeon	We can figure it out together.	
Sin-yu	I need to to do it alone.	

Can you wait a little for me?

#SCENE Hong-jo's House

Hong-jo "When the rose starts to bloom in the milk, burn this page and mix it with the ingredients."

"When the rose blooms completely, filter it in a burlap bag."

"When the water becomes clear... it'll become a love potion."

"Make the person you want to charm drink it."

Gi-dong Su-yeong.

Let's guide everyone in the lobby.

Su-yeong Okay.

ONJEONG-DONG GENERAL MEETING

Hong-jo I'm counting on you.

Mayor Good Morning

We're so busy lately, right?

Thanks for your hard work.

Have a seat

All Yes.

Mayor Mr.Park.

Mr.Park Yes?

Mayor Congrats on your son getting into university.

Mr.Park Gosh, thank you.

Mayor Next meal's on you?

Mr.Park Of course.

I'll keep it in mind.

Thanks you.

Hong-jo Gosh.

Yes. Mr. Gong

Gong (In Call) Are you playing hooky somewhere?

Hong-jo I had something to do.

Gong The Mayor's gone crazy, thanks to you.

Hong-jo What?

Gong Stop playing and come back now.

Hong-jo Okay.

Mayor Urban Planning Division's main tasks,
the checklist, and the case analyses.

Who want to present first?

Hong-jo Did he drink it or not?

Gong Go to Onjeong-dong.

The hanging baskets were destroyed.

Hong-jo But why?

Gong How would I know?

The mayor saw it on his way to work.

You're in trouble.

Hong-jo I'll go right now.

Gong Be quick.

Gi-dong You're taking a day off already?

Sin-yu You said that nobody would come for a consolation for a while.

Hyeon-seo Still, it's too soon.

Hong-jo I really didn't want to ask for your help, but I have no choice.

Gi-dong There goes your day off.

Have a nice consultation.

Hyeon-seo Some Lunatic crashed into the median strip and wrecked the hanging baskets along a 50-meter stretch.

What should I do?

Hyeon-seo Don't do anything.

The insurance will cover it.

Hong-jo We worked so hard haning them.

Hyeon-seo Not just em, but the seniors too.

We worked while drivers cussed at us for blocking the road.

Hyeon-seo I can't let it slide.

I'll sue the person.

I'm pretty sure he drank and drove.

Sin-yu It wasn't drunk driving.

Hong-jo Then it was drowsy driving.

Someone who's sober couldn't crash into them like that.

Sin-yu The brakes didn't work.

Hong-jo Are you siding with the offender now?

You're the City Hall's lawyer.

Citizens sue civil servants for the smallest things.

Why can't we sue someone too?

They're a criminal.

Sin-yu According to the Civil Law, he's only responsible for the damage.

He filed a report, the insurance company came, the police investigated him, and he proved that it wasn't intentional.

So he didn't violate the Criminal Act, Road Traffic Act, nor Special Traffic Accidents.

Hong-jo How do you know if ti was intentional or not?

Did he say that he didn't do it intentionlly?

Sin-yu Yes.

Hong-jo Did you meet him?

Sin-yu You're meeting him now too.

Hong-jo What...

Don't tell me...

Sin-yu It was me who caused the accident.

Hong-jo Why on earth did you do that?

Sin-yu Shouldn't you ask if I'm okay first?

You're worried about baskets, not me?

Hong-jo You're perfectly fine. You even went to the development plan meeting.

Sin-yu How did you know I was there?

Hong-jo You're no help.

Sin-yu Go down and apply for a day off.

Meet me in the parking lot in ten.

Hong-jo Why?

Sin-yu You're going on a trip with me.

Hong-jo Why would I?

Sin-yu You promised to give me one spell and take the rest yourself.

I want my spell today.

Hong-jo This is ridiculous.

You want me to take a day off after ruining my baskets?

연가내요~

Look here. This is an emergency. 이보세요.

I need to go clean up the mess that you made.

Sin-yu Are you the only one in your department?
Others can go clean them up.

Hong-jo That's my task.

Sin-yu I saw the org chart.
Everyone else's tasks ended in one or two lines, but yours had seven lines.
That's unfair.
Go tell your coworkers who are always sitting around to clean them up.
Let us disappear for a day.

Crystal This is must not be Hong-jo's year.
She got dumped and her work got ruined the next day.

3Star She tried to steal our crush.
It serves her right.

Crystal Gosh.
Hong-jo, you were here.

3Star Do you have time to sit here?
Clean up the mess.
"Gosh."
"Did what I say just now sound like a love confession?"

Crystal "Yes, it did to me."
"Was it not?"
That sounded so pathetic, right?
My Gosh.

Hong-jo Mr. Gong.
Can I--

Gong What, a day off?
Take it.

Hong-jo What?

Gong I didn't think it through yesterday.
It's best to take a day off to overcome heartbreak.

Call The phone is turned off. Please leave a message after the tone.

MA EUN-YEONG

Gong (Kakao talk) Is everything okay?
(Kakao talk) Eun-yeong, are you okay?
(Kakao talk) You can just reply with a period.

Hong-jo How could someone so educated believe in such a superstition?
It's not like he's going to pay me extra.
Why I should go on this trip?

Sin-yu Because if you get a boyfriend, it's thanks to me.
You must've believed in such a superstition.

Hong-jo Give me that.

Sin-yu Someone so educated like you used the love Spell already?

Hong-jo Give me that.

Sin-yu Take it if you can.

Hong-jo Tickle,tickle.

Sin-yu Yes I got it.

Hong-jo I didn't use the Love Spell.

Sin-yu That's the only page missing.

Hong-jo It wasn't that.

어머

엄마

I used the spell for losing weight or getting pretty.

Sin-yu I have a photographic memory.
I remember everything.
Should I recite the book from beginning to end?

Hong-jo Fine. I used the Love Spell. Are you happy now?

Sin-yu You're very fast.
When did you use it?

Hong-jo You said it was mine.
It doesn't matter how I use it.

Sin-yu The spell book is precious, so put it in the wooden box.

Hong-jo I will.
(in Sin-yu's car)
Did he drink it?
He must have.
I hope he drank it.
Why does I have to be today?

Sin-yu I happen to want it today.

Hong-jo The hanging baskets were totally wrecked, but your car seems fine.

Sin-yu That car is in the repair shop.

Hong-jo So you have two cars.
Your dad gave you everything.
What more do you want with the spell?
I need to know too.
What spell do you want so badly that we have to drive this far?

Sin-yu Don't worry.
I won't take the Fair Skin Spell.

Hong-jo By the way, are you hurt anywhere?
It was a car accident after all.
Is it okay for you to drive?

Sin-yu Do you want to drive instead?
Can you drive?

Hong-jo Of course, I can. Gosh!
My license is kept safely in my closet, so it's clean, I should've brought it.

Sin-yu Why keep your license in the closet? To wear it?
It's a self-driving car.
Don't worry and sleep.

Hong-jo I'm not the type to sleep in a car.
That's rude to the driver.

Sin-yu I see.
Should I stop by the rest... I guess not.

#SCENE Kwon's Office

Hong-jo (In Video of Kwon) I become red only in front of someone I like.
Did what I say just now sound like a love confession?

3Star (Call) Son Sae-byeol of Greenway Building Division.

Kwon Is Ms. Lee away from her desk?

3Star Is this Mr. Kwon?
Yes.
Hong-jo took a day off.
You can talk to me.

Kwon Can you spare me a second?

3Star Just me?

#SCENE Outside

3Star Why did you want to meet us?

Kwon You guys filmed and spread the video, right?

Crystal We didn't.

I did film it, but I didn't spread it.

I just showed it to her.

3Star It wasn't me either.

Well...

I showed it to just one person in the PR team.

Kwon Filming a video without consent is illegal.

3Star Sorry.

Kwon I won't report it to the Audit Team.

Instead, I want you to delete the video in front of me.

Crystal MOVE TO BIN

3Star MOVE TO BIN

Kwon It might've been fun for you two, but it could've hurt someone.

If something similar happens, don't make the same mistake.

3Star Goodbye.

Crystal He's so cool.

I love how cold he is.

3Star Su-jeong.

Crystal Yes?

3Star Get a grip.

We're totally in the doghouse.

Crystal It's okay.

We still have Jang Sin-yu.

3Star You're right.

Crystal Our eyes met.

3Star Go this way.

#SCENE Villa in JIRI Mountain.

Hong-jo That was fast.

Sin-yu It wasn't. You slept for a long time.

Hong-jo Gosh.

It's so nice.

Even in an expensive place like this,

the owner would grill pork belly for us if we as^다, right?

Sin-yu There's no owner. This is my villa.

Hong-jo Then let's go buy some pork belly. You have a grill, right?

I've never gone camping before, so I've always wanted to try that.

Sin-yu "If there's no one else here, do we have to spend the night alone?"

Shouldn't you react like this?

Hong-jo Does being alone with me concern you?

Sin-yu Yes, very much.

You might do something to me.

Hong-jo Look.

Some people might find you very attractive.

But to me, you're not even half of half of half as attractive as pork belly.

I won't do anything to you, do don't worry.

Sin-yu It's not that way.

Get ready. We'll climb the mountain.

Hong-jo We're going hiking?

I never thought I'd come all the way to Jirisan Mountain.

Can't you find it alone?

I don't know what spell you want, but you must've memorized it.

Can't you do it yourself?

Sin-yu Did you read the book properly?

Only those selected can cast the spells.

Hong-jo I didn't take you for the type to blindly believe in shamanism.

Sin-yu In Joseon, they called the spell book Book of Spells.

The first person to write the book was Aeng-cho.

Aeng-cho was a real person.

I read Joseon Dynasty Records.

Hong-jo Then the book I have is the book written by Aeng-cho?

Sin-yu Maybe.

Hong-jo What do you want me to find?

I can't get caught for illegally picking a rare plant.

Sin-yu It's not protected.

It just grows here.

Hong-jo So what is this plant?

Sin-yu Rhododendron fauriei.

Hong-jo Rhododendron fauriei.

Are you sick?

Are you planning to do the Cure Disease Spell?

You must be crazy.

In this day and age?

Come on. You're a lawyer.

Sin-yu Do you believe in miracles?

Hong-jo No, not at all.

Sin-yu What about curses?

Hong-jo Curses... I believe in them.

Sin-yu Then you'll get what I'm going to say.

I am cursed.

Hong-jo Now is not the time to joke around.

Go to a hospital if you're sick.

You don't have time for this nonsense.

Sin-yu Have you ever been desperate for something?

So desperate would grasp at straws.

Hong-jo I have.

Sin-yu Then be quiet and keep searching before the sun sets.

Hong-jo Now I want to do it been less.

I found it.

Here, I found it.

Sin-yu Even wizards don't entrust their wands to Muggles.

You're witch. I'm a Muggle.

Pluck it yourself.

Hong-jo I'm ready.

Sin-yu You can start now.

I'll be standing by you.

SPELLS OF THE HEAVENS

Hong-jo "Cure Disease Spell."

"Before casting the spell,
cleanse your mind and body by bathing."
"Wear neat and white clothes."

"Cast it at night, at a place full of grass when the full moon is at the highest."
"Placd brasswre on red silk embroiderd with plum blossoms."

"Add chocolate vine, wild ginseng fruits, antler reishi, and rhododendron fauriei."
"Mash them with a pestle and squeeze out the juice."
"Sincerely hoping for the person to heal, use the juice to write on the palm of the
sick person... the character 'life.' "
LIFE

How do you feel?

Sin-yu My heart seems to be beating faster.

Hong-jo Is that a good thing?
Are you getting better?

Sin-yu You better go in.

Hong-jo What?

Sin-yu Go in first.

Hong-jo Why? I'll stay with you.
I want to know what happens.

Sin-yu What's happening?
This won't do.

Hong-jo Where are you going? Stay by my side.

Sin-yu Can't you just go in first?

Hong-jo Are you getting mad at me?
When I came all the way here, wore this strange dress, and did my best to help
you?

Sin-yu What's strage about it? I think you look pretty in it.

Hong-jo What's wrong with him?

#SCENE In room

Hong-jo I hope it works.
That would mean the Love Spell works too.
Are you okay?
How're you feeling?

I was just worried you might've developed an allergy from inhaling the ashes.
Whyy aren't you answering?
Are you sleeping?
Seriously.

#SCENE In the dream of Sin-yu

#SCENE In the morning, the garden of Sin-yu's villa.

Hong-jo You startle me. I thought you left.
Gosh.

네?

The spell must've worked.
 You look healthy.
 Your skin looks so fair. Better than mine.

Sin-yu Wash, get changed, and pack.
 I'm almost done.

Hong-jo We're leaving already?
 After coming all the way here?

Sin-yu I'm feeling under the weather. 컨디션이 좋지 않아
 I couldn't sleep properly because I had a nightmare.

Hong-jo Was the bed uncomfortable?

Sin-yu No.
 My condition must've gotten worse after the spell.

Hong-jo It could be a healing crisis.
 Even flu takes a few days for you to recover.
 I don't know about your illness, but you might recover slowly.

Sin-yu Pack up and come out. 짐챙겨 나와요.

#SCENE Roof of the Onju City Hall
3Star (Voice) Hong-jo took a day off.

#SCENE Front of Sin-yu's villa on Jirisan

Hong-jo I came all the way to Jirisan just to go back like this?
 I'm so unlucky.
 What kind of guy does that?
 One moment, he believe in spells. Next, he doesn't.
 It's Mr. Kwon.
 What do I do?
 Hello? 어떡하지?

Kwon It's me, Jae-gyeong.
 권재경입니다.

Hong-jo Hi. To what do I owe this call? 네 그런데 어떤일로

Kwon Is the video the reason you didn't come to work?

Hong-jo Well, that's not the only reason.
 I have some personal matters to atend to.

Kwon That's a relief. 다행이네요.
 I was worried about you.

Hong-jo Me?

Kwon Yes.
 What about tomorrow?

Hong-jo I'll be at work. 내일은 출근해요?
 네

Kwon Can we meet after work tomorrow?

Hong-jo Pardon?

Kwon Why are you surprised? 뭘 그렇게 놀래요?
 I'll text you about the time and place.

Hong-jo Okay.
 (Hang up) I think the Love Spell worked.
 He was worried because I didn't go to work.
 He asked about tomorrow and to meet after work.
 He'll let me know when and where to meet.
 This clearly proves that the Love Spell worked.

Kwon Is he going to confess his feelings for you or what?

Hong-jo There's a high chance. 그럴 가능성도 충분

Cheer up.
The Cure Disease Spell will take effect soon too.
See? I told you to wait.
Sin-yu, you're always so impatient.
First, you pestered me to open the box.
And now this.

Nowhere in the book did it mention how long it would take for you to recover.
Just wait and see. Because the Love Spell is working.
That means the Cure Disease Spell will work too.
I'm so excited!
Hurray!
Remember. You promised to take only one spell.
The rest of the spells are mine.
Don't change your mind.
Don't ask for more.

어디에도 없다.

#SCENE Greenway Division Office

Gong (In Kakao talk) YOU CAN JUST REPLY WITH A PERIOD.

3Star Good morning, sir.

Crystal Good morning.

Voice Hello.

Gong Hi.

Crystal Mr. Gong.

Did Ms. Ma resign?

Her time off is over, but she's not here today.

#SCENE Outside of City Hall

Gong Who the hell...

Ma You said to reply with a period.

That was a period.

Gong Why are you replying only now?

Ma I turned my phone today to come to work.

Your texts were funny.

You wanted to check if I was dead or alive, but you were scared, right?

Gong Of course.

Everyone knows about the affair and the divorce.

He shouldn't have pretended to be so loving on TV.

The whole nation knows you, and your phone was off.

Ma I won't die.

See? I came back alive.

Gong Wait for me.

나 안죽어.

#SCENE FLOWER GARDEN on JIRISAN

Hong-jo Really not going to eat?

Sin-yu I'm not hungry.

Hong-jo Skipping wild veggie bibimbap at Jirisan is like not bathing in a bathhouse.

Sin-yu Since you're so excited, go enjoy it yourself.

Hong-jo Gosh.

Hong-jo Hello

FG Owner Are you here alone?

치.

혼자 오셨어?

Hong-jo Yes. One bibimbap, please.

FG Owner Okay.

Hong-jo I'm at Jirisan Mountain and I'm still eating alone.

I thought you weren't hungry.

What?

Did you suddenly get hungry?

What do you want?

Sin-yu I'm Groot.

Hong-jo Could I get another bibimbap but without bracken, please?

FG Owner Okay.

Sin-yu How did you know I didn't like bracken?

Hong-jo I'm Groot.

#SCENE In Sin-yu's car

MR.Kwon Jae-kyeong.

Sin-yu You keep staring at your phone.

If you're so curious, why not text him first?

Hong-jo I can't do that.

What I'm doing is verification.

If he contacts me first, it means the Love Spell worked.

Then, we can hope for you to get better too.

I'm not making a fuss just for my self.

Sin-yu Just text him first. I'm curious too.

Hong-jo No, I'll wait.

KWON JAE-GYEONG

Hong-jo Oh, my gosh! He texted me.

Sin-yu What does he say?

What did he text?

Hong-jo It's a secret.

Sin-yu Put your feet down.

Hong-jo Okay.

#SCENE In front of Hong-jo's house.

Hong-jo Thank you

Go home and get some rest.

You're tired from driving, not from the spell.

So don't blame it on me.

Just wait and see.

Sin-yu What about the dress?

Hong-jo Would I ever wear it again?

Sin-yu And you think I would?

Hong-jo It looked expensive.

Sin-yu Sell it in a thrift shop or whatever. Deal with it yourself.

That dress is yours.

#SCENE Sin-yu's Office

Hong-jo (He'll let me know when and where to meet.)

Hong-jo (It's a secret.)

Hong-jo The spell must've really worked.

Oh, my gosh.

#SCENE Greenway Building Division Office

3Star Good morning, Mr. Gong.

Gong Get here earlier next time.

3Star Yes.

Hong-jo Good morning.

Gong Hi.

3Star Good morning.

You caused a mess and took a day off, so your coworker had to clean it up.

Hong-jo I'm sorry.

3Star Did you receive the email?

Gong Yes, the files?

3Star You should've told me if you did.

Gong I received it well

Hong-jo My tumbler.

3Star What is it?

Hong-jo I lost my tumbler.

Did you see my tumbler?

3Star No.

Gong What's the fuss about?

Hong-jo I lost my tumbler. It's this big and --

Gong It's pink.

Hong-jo Yes.

Gong This?

Hong-jo Why do you have my tumbler?

Gong I took it to prevent accidents.

It was on the floor and someone could've tripped.

Hong-jo Did you drink the water in here?

Gong Was I not supposed to?

Hong-jo Did you really drink it?

It's not yours to drink.

Gong I guess no good deed goes unpunished.

I found it and kept it safely.

I deserve a "Thank you," not--

Ma Quiet.

Unless there's a wildfire, your voice should not be louder than 20dB in Greenway Building Division.

Hong-jo I'm sorry.

Ma You don't have to apologize.

He's the one that was loud.
I'm Manager Ma Eun-yeong.
Nice to meet you.

Hong-jo Your already know my name.
Thank you.

Ma Park Maintenance Team has a team dinner today, and everyone must attend.

Gong Yes, ma'am.

3Star Yes, ma'am.

Hong-jo Oh, no.

Kwon [(On Kakao talk) See you at 7:00 p.m. tomorrow.
Let's meet here.]

#SCENE Exiting the elevator

Gong What are we eating?

Hong-jo I'm meeting him tomorrow instead.
So I can't check if the spell worked.
I think it did though.

He works overtime a lot, but he said tomorrow is good too.

Sin-yu You're too close.

Hong-jo How do you feel? Did you get better?

Sin-yu There are even side effects.

부작용까지 나타났.

Hong-jo Side effects?

Sin-yu My chest feels tight. My heart beats fast.
It's hyperventilation or arrhythmia.

Hong-jo You didn't have them before?

Sin-yu Of course not.

Gong Hong-jo did you wander off again?

Hong-jo I'm coming!

Give it a bit more time.

Tell me if you start to feel better.

Gong What's she doing there?

3Star Everyone's waiting for you.

Gong Let's go. Everyone up front.

#SCENE Onju City Hall Parking Lot

Sin-yu Not being able to drive is the worst.

#SCENE At the door of Sin-yu's Office

Sin-yu How did you get here?

Na-yeon Aren't you glad to see me?

Is the theme of the house ink wash painting?

I should redecorate it when you're out.

Go do your work.

Don't worry and take your time.

Let's see.

Sin-yu What are those?

Na-yeon These?

At first, I was very upset to hear that you moved to Onju.

서운

But come to think of it, it's a good thing.

You're not living with your parents anymore,

so I can visit you whenever I want.

Look.

Aren't they nice?

Sin-yu Na-yeon.

Na-yeon I bought pajamas just in case.

How is it?

What's with those eyes?

How is it?

Did I upset you by coming over when you told you needed some time?

What's wrong? You're making me anxious.

기분상하게 했어?
불안하게...

Sin-yu Na-yeon, let's stop this.

Na-yeon You want to stop dating and get married?

Was this what you meant when you said you needed time?

What's the reason?

During our two years together, you never told me anything important.

You won't tell me why we're breaking up either?

I need a clear explanation to accept it.

Do you not love me anymore?

Is it another girl?

Or do you just not want to get married?

Sin-yu What reason can you accept?

Na-yeon Are you saying you'd say anything to break up?

How can you do this to me?

I know.

I liked you first, so I chased you around.

It's also true that I like you more.

Even so, how can you do this?

I'll go today.

But give me some time too.

I need time to think.

Sin-yu I'll give you a ride home.

Na-yeon You don't have to.

그럴 필요 없어.

Giving me a ride home after breaking up?

That makes me feel pathetic.

#SCENE Greenway Building Division Office.

Ma What's for lunch?

Gong Ms. Lee.

Hong-jo Yes?

Gong What's for lunch?

We should eat together with Ms. Ma.

Hong-jo Right.

What about the cafeteria?

It provides a balanced diet that changes daily.

Gong No. We should eat webfoot octopus today.

Isn't that so, Ms. Ma?

Ma I'm up for the cafeteria.

I don't want to go out.

Gong See? Ms. Lee always chooses the best menu.

Crystal What's up with the thumbs up?

He used to hate her.

3Star His old age makes him fickle.

Gong Let's go quickly before the cafeteria gets crowded.

Hong-jo Mr. Gong. I'm sorry but I need to go out for work today.

Gong Working outside again?

You work way too hard.

#SCENE Sin-yu's Office

LAWYER JANG SIN-YU

CIVIL SERVANT(HAUNTED HOUSE)

Sin-yu What is it?

Hong-jo Are you feeling better?

I called because I was concerned.

Sin-yu You must be concerned about Jae-gyeong, not me.

What to say when you see him and whether the spell worked or not.

Hong-jo You catch on quick.

Sin-yu Don't get your hopes up.

I'm still not feeling good, both physically and mentally.

Hong-jo There might be another--

Sin-yu Don't blush for no reason, fidget, or tuck your hair behind your ear.

I personally hate those things.

Hong-jo As if I ever did those for him!

When did I ever fidget?

Ridiculous.

LITIGATION PLAN

Hong-jo [Hello?]

Gi-dong Knock, Knock.

Mr. Jang, did you read all of these already?

Sin-yu My mind kept getting sidetracked, so I tried to focus on work.

Gi-dong There were over 200 of them.

Sin-yu There were 198.

Gi-dong The mayor would like to have dinner with you.

Sin-yu I can't.

Gi-dong Can't you just join?

Mr. Kwon has a prior engagement.
